Animal Welfare And Anti Vivisection 1870 1910 Nineteenth Century Womans Mission:

Animal Welfare and Anti-vivisection 1870-1910 Susan Hamilton, 2004 **Animal Welfare & Anti-vivisection 1870-1910** Susan Hamilton, 2004-07 This three volume set brings together a range of documents that allows researchers to explore the nineteenth century vivisection controversy its relation to the prominent animal welfare movement and the specific role of women within the movement The collection maps the battle over the meaning of animals in Victorian culture from utility to companionship showing the range of political rhetorical and representational strategies that were deployed as physiology and anti vivisection struggled to assert the truth of animal bodies The volumes include press articles by key pro and anti vivisectionist activists in the established press Victorian government materials scientific papers and illustrations and the pamphlets and journals of the anti vivisectionist movements Recent collections in this series include *Josephine Butler and the Prostitution Campaigns* March 2003 5 volumes 495 and *Women Madness and Spiritualism* June 2003 2 volumes 250 Forthcoming titles include *Women and Cross Dressing 1800 1939* 2005 3 volumes c 325 and *Feminism and the Periodical Press 1900 1918* 2005 3 volumes c 325 **Animal Welfare & Anti-vivisection 1870-1910: Pro-vivisection writings** Susan Hamilton, 2004 This set brings together a range of documents that will allow researchers to explore the nineteenth century vivisection controversy its relation to the prominent animal welfare movement and the specific role of women within the movement *Animal Welfare & Anti-vivisection 1870-1910: Frances Power Cobbe* Susan Hamilton, 2004 This set brings together a range of documents that will allow researchers to explore the nineteenth century vivisection controversy its relation to the prominent animal welfare movement and the specific role of women within the movement *Nineteenth Century Prose* , 2008 *The Cambridge Companion to English Literature, 1830-1914* Joanne Shattock, 2010-01-28 The nineteenth century witnessed unprecedented expansion in the reading public and an explosive growth in the number of books and newspapers produced to meet its demands These specially commissioned essays examine not only the full range and variety of texts that entertained and informed the Victorians but also the boundaries of Victorian literature the links and overlap with Romanticism in the 1830s and the roots of modernism in the years leading up to the First World War The Companion demonstrates how science medicine and theology influenced creative writing and emphasizes the importance of the visual in painting book illustration and in technological innovations from the kaleidoscope to the cinema Essays also chart the complex and fruitful interchanges with writers in America Europe and the Empire highlighting the geographical expansion of literature in English This Companion brings together the most important aspects of this prolific and popular period of English literature **Oceania and the Victorian Imagination** Peter H. Hoffenberg, 2016-05-23 Oceania or the South Pacific loomed large in the Victorian popular imagination It was a world that interested the Victorians for many reasons all of which suggested to them that everything was possible there This collection of essays focuses on Oceania s

impact on Victorian culture most notably travel writing photography international exhibitions literature and the world of children Each of these had significant impact The literature discussed affected mainly the middle and upper classes while exhibitions and photography reached down into the working classes as did missionary presentations The experience of children was central to the Pacific s effects as youthful encounters at exhibitions chapel home or school formed lifelong impressions and experience It would be difficult to fully understand the Victorians as they understood themselves without considering their engagement with Oceania While the contributions of India and Africa to the nineteenth century imagination have been well documented examinations of the contributions of Oceania have remained on the periphery of Victorian studies Oceania and the Victorian Imagination contributes significantly to our discussion of the non peripheral place of Oceania in Victorian culture

Mark Twain's Book of Animals Mark Twain, Shelley Fisher Fishkin, Barry Moser, 2011-07 For those unaware as I was until I read this book that Mark Twain was one of America s early animal advocates Shelley Fisher Fishkin s collection of his writings on animals will come as a revelation Many of these pieces are as fresh and lively as when they were first written and it s wonderful to have them gathered in one place Peter Singer author of Animal Liberation and The Life You Can Save A truly exhilarating work Mark Twain s animal friendly views would not be out of place today and indeed in certain respects Twain is still ahead of us claiming correctly that there are certain degraded practices that only humans inflict on one another and upon other animals Fishkin has done a splendid job I cannot remember reading something so consistently excellent Jeffrey Moussaieff Masson author of When Elephants Weep and The Face on Your Plate Shelley Fisher Fishkin has given us the lifelong arc of the great man s antic hilarious and subtly profound explorations of the animal world and she s guided us through it with her own trademark wit and acumen Dogged if she hasn t Ron Powers author of Dangerous Water A Biography of the Boy Who Became Mark Twain and Mark Twain A Life

Pets and Domesticity in Victorian Literature and Culture Monica Flegel, 2015-02-11 Addressing the significance of the pet in the Victorian period this book examines the role played by the domestic pet in delineating relations for each member of the natural family home Flegel explores the pet in relation to the couple at the head of the house to the children who make up the family s dependents and to the common familial outcasts who populate Victorian literature and culture the orphan the spinster the bachelor and the same sex couple Drawing upon both animal studies and queer theory this study stresses the importance of the domestic pet in elucidating normative sexuality and re productivity within the familial home and reveals how the family pet operates as a means of identifying aberrant failed or perverse familial and gender performances The family pet that is was an important signifier in Victorian familial ideology of the individual family unit s ability to support or threaten the health and morality of the nation in the Victorian period Texts by authors such as Clara Balfour Juliana Horatia Ewing E Burrows Bessie Rayner Parkes Anne Bront George Eliot Frederick Marryat and Charles Dickens speak to the centrality of the domestic pet to negotiations of gender power and sexuality within the home that both reify and challenge the imaginary structure known as the natural

family in the Victorian period This book highlights the possibilities for a familial elsewhere outside of normative and restrictive models of heterosexuality reproduction and the natural family and will be of interest to those studying Victorian literature and culture animal studies queer studies and beyond The Routledge Companion to Gender and Animals Chloë Taylor, 2024-05-31 The Routledge Companion to Gender and Animals is a diverse and intersectional collection which examines human and more than human animal relations as well as the interconnectedness of human and animal oppressions through various lenses Comprising fifty chapters the book explores a range of debates and scholarship within important contemporary topics such as companion animals hunting agriculture and animal activist strategies It also offers timely analyses of zoonotic disease pandemics mass extinction and the climate catastrophe using perspectives including feminist critical race anti colonial critical disability and masculinities studies The Routledge Companion to Gender and Animals is an essential reference for students in gender studies sexuality studies human animal studies cultural studies sociology and environmental studies **Animal Subjects** Caroline Hovanec, 2018-09-06 Animal Subjects finds a new understanding of animal life in the literature and science of the early twentieth century *Animals and Agency* Sarah E. McFarland, Ryan Hediger, 2009 While many scholars who write about animals deal with animal agency in some way this volume is the first to position the question of nonhuman agency as the primary focus of inquiry Section I presents studies of actual animals demonstrating agency Section II moves agency into new terrain while considering key representations of animal agency in literature Section III analyzes animals as mediators and as conveyances of human to human communication and Section IV investigates the agency of beings who defy conventional species categories The Envoi demonstrates how the microscopic polyp is interwoven into notions of agency and mythical superagency This volume's interdisciplinary explorations press hard on issues of agency to open up space for more questions about how we can understand relationships between the human and the nonhuman The Bureaucracy of Empathy Shira Shmuely, 2023-07-15 The Bureaucracy of Empathy revolves around two central questions What is pain And how do we recognize understand and ameliorate the pain of nonhuman animals Shira Shmuely investigates these ethical issues through a close and careful history of the origins implementation and enforcement of the 1876 Cruelty to Animals Act of Parliament which for the first time imposed legal restrictions on animal experimentation and mandated official supervision of procedures calculated to give pain to animal subjects Exploring how scientists bureaucrats and lawyers wrestled with the problem of animal pain and its perception Shmuely traces in depth and detail how the Act was enforced the medical establishment's initial resistance and then embrace of regulation and the challenges from anti vivisection advocates who deemed it insufficient protection against animal suffering She shows how a bureaucracy of empathy emerged to support and administer the legislation navigating incongruent interpretations of pain This crucial moment in animal law and ethics continues to inform laws regulating the treatment of nonhuman animals in laboratories farms and homes around the world to the present **Frances Power Cobbe and Victorian Feminism** Susan

Hamilton,2006-04-04 This new book asks a key question what did it mean to have a Victorian feminist write for an established newspaper or periodical Using the example of Frances Power Cobbe it focuses on Victorian feminism and its political workings and urges us to reconsider what feminism looked like in the nineteenth century **On Flinching** Tiffany Watt-Smith,2014-04 On Flinching explores the cultural history of flinches winces cringes and starts in the late nineteenth and early twentieth centuries Taking the flinches of scientific observers as its starting point it likens scientific experiments to the emotional interactions between audiences and actors in the theatre of this period Bulletin of the History of Medicine,2007 Includes the Transactions of the 15th annual meetings of the American Association of the History of Medicine 1939

A History of Force Feeding Ian Miller,2016-08-17 This book is Open Access under a CC BY license It is the first monograph length study of the force feeding of hunger strikers in English Irish and Northern Irish prisons It examines ethical debates that arose throughout the twentieth century when governments authorised the force feeding of imprisoned suffragettes Irish republicans and convict prisoners It also explores the fraught role of prison doctors called upon to perform the procedure Since the Home Office first authorised force feeding in 1909 a number of questions have been raised about the procedure Is force feeding safe Can it kill Are doctors who feed prisoners against their will abandoning the medical ethical norms of their profession And do state bodies use prison doctors to help tackle political dissidence at times of political crisis

A Modern History of the Stomach Ian Miller,2015-10-06 This is the first exploration of the relationship between the abdomen and British society between 1800 and 1950 Miller demonstrates how the framework of ideas established in medicine related to gastric illness often reflected wider social issues including industrialization and the impact of wartime anxiety upon the inner body *Women against cruelty* Diana Donald,2019-10-23 This is the first book to explore women s leading role in animal protection in nineteenth century Britain drawing on rich archival sources Women founded bodies such as the Battersea Dogs Home the Royal Society for the Protection of Birds and various groups that opposed vivisection They energetically promoted better treatment of animals both through practical action and through their writings such as Anna Sewell s Black Beauty Yet their efforts were frequently belittled by opponents or decried as typifying female sentimentality and hysteria Only the development of feminism in the later Victorian period enabled women to show that spontaneous fellow feeling with animals was a civilising force Women s own experience of oppressive patriarchy bonded them with animals who equally suffered from the dominance of masculine values in society and from an assumption that all powerful humans were entitled to exploit animals at will
