**Where to Find the Wildlife in British Woodlands & Hedgerows** Leslie Kent, 2013-06-11 Woodlands have dominated much of the British landscape for thousands of years since the recession of the last ice age and yet so few of us spend enough time in them to understand how much of our native wildlife is adapted to live with trees The inspiration of naturalists poets and artists woodlands have often been removed changed or marginalised to make way for progress and from within our suburbs and garden plots we rarely spend time appreciating their wildlife and yet it is still there waiting to be discovered This book is a guide to where you can find that often hidden wildlife Leslie Kent a Biology teacher by trade and amateur ecologist reveals just how easy it can be to find wild things even in the middle of a city if only you take the time to look for it

*Bulldozer Revolutions* Andrew C. Baker, 2018-11-15 By examining the metropolitan fringes of Houston in Montgomery County Texas and Washington D C in Loudoun County Virginia this book combines rural environmental and agricultural history to disrupt our view of the southern metropolis Andrew C Baker examines the local boosters gentlemen farmers historical preservationists and nature seeking suburbanites who abandoned the city to live in the metropolitan countryside during the twentieth century These property owners formed the vanguard of the antigrowth movement that has defined metropolitan fringe politics across the nation In the rural South subdivisions reservoirs homesteads and historical villages each obscured the troubling legacies of racism and rural poverty and celebrated a refashioned landscape That landscape s historical and environmental authenticity served as a foil to the alienation and ugliness of suburbia Using a source base that includes the records of preservation organizations and local state and federal government agencies as well as oral histories Baker explores the distinct roots of the environmental politics and the shifting relationship between city and country within these metropolitan fringe regions
