### **Animorphs The Prophecy 34:**

The Prophecy (Animorphs #34) K. A. Applegate, 2017-08-29 There is a chance for the free Hork Bajir on Earth to start their own rebellion against the Yeerks They have the numbers but they don't have the weapons They've learned from the last surviving Arn the race that created the Hork Bajir that Aldrea daughter of Prince Seerow knew the location of a stolen Yeerk vessel Unfortunately the only way to recover the ship is to ask Aldrea herself and she's dead The Arn have Aldrea's persona stored but to bring her back they need a host body and Cassie Rachel or Toby Hamee are the closest matches The only problem is that once Aldrea gets into one of their minds she may not want to come out

The Capture (Animorphs #6) K. A. Applegate, 2012-03-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series It was bad when Jake found out his brother was one of them A Human Controller A slave But that was nothing compared to this When the Animorphs decide to visit the Yeerks new base it seems simple But then they get caught and Jake falls just for a moment into the Yeerk pool Now they're out and his friends can't see it To them he's just like normal But Jake is screaming for help His worst fear has finally come true He's become the enemy

The Stranger (Animorphs #7) K. A. Applegate, 2012-06-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Rachel isn't the kind of girl who backs away from a fight When her dad asks her to move across the country with him it hurts but Rachel won't desert her friends in their fight to save the world But then the Animorphs are contacted by a very old very powerful alien being that knows about their struggle He's called the Ellimist and he presents them with a choice They can abandon the planet with their families and be taken to safety or they can stay to fight the Yeerks and lose

**Bowker's Guide to Characters in Fiction**, 2003

Visser (Animorphs) K. A. Applegate, 2018-03-27 Her human name is Eva There was a time when she had a loving husband and a son Marco When she had a wonderful career But that was before she was infested by Edriss 562 Before the invasion of Earth Now Edriss 562 lives in Eva's head and controls her every movement And through Eva Edriss has become the highest ranking general in the Yeerk empire surpassing even her arch rival Visser Three She is Visser One But it has become known that Visser One's tactics for attaining her current position were less than acceptable even to the Yeerks Now she's on trial for treason If she's found innocent she'll continue to rule But if she's found guilty she'll lose her life and possibly the life of her host Eva Which will mean that Marco will never ever see his mother again

**The Extreme (Animorphs #25)** K. A. Applegate, 2017-07-25 Marco and the other Animorphs have managed to find out where the Yeerks are planning to build their next ground based Kandrona That's a good thing But the location is supposed to be somewhere near the North Pole That's a bad thing The Animorphs know that the Yeerks are a cold blooded species but this is a little nuts Who wants to be near the North Pole without Arctic morphs and wearing spandex Even so the kids know that if the Yeerks succeed with their plan Earth is pretty much done for And Marco and the other Animorphs aren't quite ready to give up the fight

The Solution (Animorphs #22) K. A. Applegate, 2017-07-25 David the newest Animorph is

not what he appears His need to control the other Animorphs is all he thinks about And the things he does are starting to break up the group Rachel and the others know that time is running out The newest battle against the Yeerks is the most important one yet And it s not one that will wait Winning this fight could mean slowing down the invasion But no one knows what to do with David Because the newest Animorph is more than just a little problem He s deadly **The Experiment**

**(Animorphs #28)** K. A. Applegate,2017-07-25 The Yeerks have decided to try a little experiment They ve decided that if they can develop a way to make people more willing to be infested they can speed up Earth s invasion So the Yeerks try to invent a substance that will take away the human ability to make a decision A substance that will eliminate free will Now the Animorphs are not only faced with trying to slow down the Yeerks invasion but they also have to put an end to the genetic testing on a small group of humans This time there s only one chance to stop the Yeerks And if anything goes wrong it s all over *The Beginning (Animorphs #54)* K. A. Applegate,2017-09-26 No one ever thought it would come to this Jake Rachel Tobias Cassie Marco and Ax know that even if they could have warned people in the beginning no one would have believed their story A story about an invasion of parasitic aliens So for all this time Jake and the other Animorphs have secretly fought a desperate battle Secretly held the Yeerks at bay But those days are over It s come down to the final battle between the Yeerks and Animorphs And no one knows who will win lose or live *The Warning (Animorphs #16)* K. A.

Applegate,2017-06-27 Jake s made a pretty amazing discovery It seems like there may be other people who know about the alien invasion of Earth Others who know about the Yeerks Jake finds a website devoted to revealing the existence of the Yeerks but he and the other Animorphs suspect it might be too good to be true If they try to investigate the site and it s a trap the Yeerks could find out who they are If they don t check it out they ll never know if they re the only ones fighting Whatever Jake and the others decide to do they ve got to move quickly because Visser Three isn t the only one dying to meet them *The Pretender (Animorphs #23)* K. A. Applegate,2017-07-25 Someone s looking for Tobias Someone who says she s his long lost cousin Tobias isn t sure the person is telling the truth but she s really nice and knows a lot about him And what she tells Tobias definitely gets his attention It seems a lawyer has discovered Tobias s father s last will and testament So Tobias needs to attend the reading His cousin even offers to go along But something just doesn t feel quite right That s when Tobias and the other Animorphs decide to do a little checking on this cousin And what they discover will change the rest of Tobias s life **The Forgotten (Animorphs #11)** K. A. Applegate,2017-06-27 There s been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That s when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there s no way home *The Test (Animorphs #43)* K. A. Applegate,2017-08-29 Tobias and the other Animorphs have seen things so bizarre that no sane person would believe their story No one would believe that aliens have taken over the Earth and are in the

process of infesting as many humans as possible No one could believe the battles and missions and losses these six kids have had to deal with And it s not over yet Tobias has been captured by the same human Controller that nearly tortured him to death once before She claims that now she s a part of the Yeerk peace movement That she just needs a favor Tobias isn t sure what to believe but he knows that if the Animorphs don t find him soon what he believes won t matter anymore *The Other (Animorphs #40)* K. A. Applegate,2017-08-29 Ax and the Animorphs have always believed Ax was the only non infested Andalite on Earth That he alone survived the terrible battle between his people and the Yeerks Until now There were other survivors Other Andalites And they re here on Earth Trying to keep a low profile Trying to find a way to defeat Visser Three Trying like Ax and the Animorphs to stay alive until help finally comes If help finally comes **The Andalite Chronicles (Animorphs)** K. A. Applegate,2018-03-27 Elfangor Sirinial Shamtul is an Andalite war prince the one who gave the Animorphs the power to morph The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth Ages 9 12 Pub 12 97 **The Separation (Animorphs #32)** K. A. Applegate,2017-07-25 Rachel is falling apart Literally Her newest morph has the ability to regenerate its limbs but when Rachel demorphs there s a lot more Rachel than when she started out One more Rachel to be exact Rachel is an okay person to have around but two could be considered overkill Especially two Rachels with completely opposite personalities one is pathetically weak one is super strong and super nasty Now the Animorphs have to figure out a way to put Rachel back together again Because if it s up to the twins Rachel the weak will surrender to Visser Three Rachel the super bold will try to single handedly take him down And twice the trouble may be twice as much as the other Animorphs and Ax can handle The Weakness (Animorphs #37) K. A. Applegate,2017-08-29 When Jake has to leave town for a family thing the other Animorphs and Ax figure life will pretty much be normal until he gets back But when Tobias discovers Visser Three s newest feeding place the kids decide they have to check it out But there s no assigned leader Now Rachel Tobias Cassie Marco and Ax have a problem Who will be the best one for the job Because being in charge isn t just guts and glory It s about making decisions that will mean the difference between life and death *The Mutation (Animorphs #36)* K. A. Applegate,2017-08-29 Visser Three is still trying to find a way to reach the Pemalite ship that was hidden thousands of feet below the ocean s surface The ship contains technology so advanced that it s superior to anything even the Andalites have built And this time the Visser plans to find the ship so he can use the power to complete Earth s invasion Jake and the other Animorphs acquire additional deep sea morphs in order to stop the Visser s plan But while trying to destroy the Yeerk ship the kids make a startling discovery an underwater civilization Have the kids discovered Atlantis or is it just another trap *The Change (Animorphs #13)* K. A. Applegate,2017-06-27 Tobias has gotten used to his new life He s a red tailed hawk with the mind of a kid It was difficult when he first became trapped in his morph but he s started to come to terms with things After all how many kids actually get the chance to fly But now Tobias is about to make a very difficult choice a choice that the other Animorphs know nothing

about And it could mean the difference between living the rest of his life as a hawk and being human **The Arrival**  
**(Animorphs #38)** K. A. Applegate, 2017-08-29 Andalites have finally arrived on Earth Ax and the other Animorphs now have allies willing to fight against the Yeerk invasion But there are only four Andalites Not nearly enough to defeat thousands of Yeerks Not enough to stop humans from being infested Everyone agrees that the battle must continue but the Andalites don't want to fight alongside humans They feel their skills will be less than adequate And they demand that Ax choose a side Will Ax stay with his friends or stand with his people
