Anjali Whispers In The Dawn:

Anjali Vishnu Joshi,2001-06-01 **Anjali** Vishnu P. Joshi,2002 **Anjali** Vishnu Joshi,2001-07 In White Lies author Robert Friend uses an almost ethereal tone to describe his narrator s hallucination The stream of consciousness style helps put the reader in the mindset of the narrator allowing them to see what he does The manuscript centers on a life of drug use drinking and crime Friend is able to chronicle the narrator s slow swirl into mental instability In addition at times White Lies seems designed to be a caustic political commentary about the war in Afghanistan and Iraq Readers may appreciate the layered multi faceted aspect of this manuscript White Lies could be seen as a cautionary tale against drug abuse or any other sort of behavior that endangers oneself We shall never forget those men and women that give there lives today I remember you Dedicated to the loving memory of Pearl Gertrude woods 1913 1998 **KURUVILLA** Nitesh Kumar Giri,2025-10-16 Blood builds empires Silence sustains them When Joseph Kuruvilla a spice trader turned shadow emperor dies in a mysterious explosion his legacy doesn t end it evolves His Oxford educated son Aaron Kuruvilla returns to a fractured syndicate and a nation riddled with silent wars Calm as a monk ruthless as a myth Aaron rises not by gunfire but by strategy silence and fear From the chaotic backstreets of Kochi to the bloodstained shores of Sicily Kuruvilla is a sweeping saga of power betrayal loyalty and legacy where bureaucrats are pawns ports are kingdoms and family secrets are more dangerous than bullets In this world history isn t written in ink it s carved in blood *Indian National Bibliography* ,2004 *She Who Became My Guru* premyogi vajra,2025-04-21 In the soft hush of his Himalayan hill home Ishaan Sharma now 52 sat by a sun warmed window with a cup of tea and an old wooden bookstand Before him lay a story not just authored but lived The wind outside rustled like turning pages and so he began again revisiting the words that had once poured from his spirit like spring water from ancient stone There are books that aim to teach There are books that aim to impress But this one this book was never meant to do either She Who Became My Guru is not a tale of perfection but of profound imperfection lovingly transformed It is the story of a seeker who was never seeking of a man who stumbled into the divine by tripping over the ordinary of a journey that began with heartbreak confusion and a taste of love too potent to be labeled romantic Born under the quiet shadows of the Himalayan hills Ishaan lived what many would call a normal life A part teacher a veterinarian a husband a son a friend But behind the curtain of roles and rituals something ancient stirred a whisper of something eternal a beckoning he could neither ignore nor explain And then she entered Not as a woman alone but as the mirror that turned his gaze inward Myra The one who shattered his illusions not by force but simply by being The one whose absence awakened the presence within In these pages the reader won t find a straight road to enlightenment for the soul never travels in straight lines Instead there are winding paths through science and mythology laughter among school friends and silences between lovers Glimpses of the moon Echoes of forgotten lifetimes And at the center a man who writes not as a master but as one who was loved into awakening who still forgets stumbles rises and remembers Each chapter is both a memory and a meditation

Rooted in the soil of Ishaan's lived experience watered by mystic insight and grown under the moonlight of inner inquiry The teachings are not his They unfolded like petals from the heart of life itself He merely bled them onto these pages as one does when the wound becomes the womb of wisdom This book is not an instruction it is a remembrance Not a sermon but a soft echo from within A song a prayer a bridge for anyone who has ever whispered to the sky Is there more than this Yes there is And it begins not above not beyond but within Welcome to She Who Became My Guru May you find in it not answers but your own reflection

Rukmini and the Turning of Time Dena Merriam,2022-01-01 The main story of Rukmini and the Turning of Time takes place before during and after the Mahabharata War an event that marked the ending of one era and the beginning of another a time when spiritual knowledge was decreasing but material development increasing The story begins in the ancient city of Dwarka India and is told through the voice of a dancer of that time It is a story about Rukmini who is said to be the rebirth of Mata Sita both of whom are avatars of the great deity Narayani Although Rukmini is the consort of the much beloved Bhagavan Krishna her story has been lost in time but it is essential now to recall her as the energy and presence of the divine female incarnations is so critical for the healing and evolution of human society As with all of Dena Merriam's books this story explores the complex and wondrous workings of cause and effect the law of karma as it guides and shapes our lives But it is also a story of love one that transcends time and place and that persists from one incarnation to the next As we leave one form and take another through the laws of rebirth we bring with us our love the relationships that have left deep impressions and that have helped in our awakening This tale follows the dancer of Dwarka through a series of rebirths as she unknowingly carries with her the love and teachings of Rukmini who patiently and silently guides her evolution It is a story that applies to each one of us because we all participate in this great cosmic dance of love as the illusion of time keeps turning
