ANN RICHARDS

Politician, Feminist, Survivor

Dorothy Schainman Siegel

Ann Richards Politician Feminist Survivor

Elaine Slivinski Lisandrelli

Ann Richards Politician Feminist Survivor:

Ann Richards Dorothy Schainman Siegel, 1996 The exciting life and career of this former teacher and governor of Texas are recounted in this biography Ann Richards rose up the political ladder to become a Democratic leader in her state as well as a household name throughout the country *The Yankee Chick's Survival Guide to Texas* Sophia Dembling, 2001-12-27 In Texas Yankee is a loose term covering a lot of ground If you're not a Texan or a southerner you're a Yankee and therefore to many Texans suspect There are many rites of passage to being a Yankee in Texas the first time you spot a pickup with a gun rack the first time you realize that a week is a long time to go without Mexican food the first time you recognize a change in seasons your first thunderstorm your first honky tonk Culture Shock in Texas can be intense and is exacerbated by local rules of propriety that tell us to keep our mouths shut But here in this book we are going to talk all about it with good old Yankee outspokenness We'll clear the air share experiences orient newcomers and have some good laughs **Well-Dressed Role Models** Gale Eaton, 2006-06-08 This study provides a qualitative exploration of juvenile biographies of women a genre defined here as a book dealing with the whole or partial life of an individual and reviewed as nonfiction for readers in elementary middle or junior high school Beginning with a survey of juvenile material on Elizabeth Tudor published in England and the United States between 1852 and 2002 author Gale Eaton scrutinizes thirty-four books juvenile biographies histories and collected biographies for trends in both content and rhetoric *Well Dressed Role Models The Portrayal of Women in Biographies for Children* then goes on to look at close readings of books published in the United States in the years 1946 1971 and 1996 and presents a penetrating analysis of a genre that serves the needs of youth The findings of this study include the fact that juvenile biographies make role models out of women who in many cases never would have become famous by following all the rules for good girls By choice of subject and emphasis their authors dress the life stories of real women in the appropriate values of new generations Three appendixes providing annotated book lists for each of the three years analyzed conclude this study *Walking and Talking Feminist Rhetorics* Lindal Buchanan, Kathleen J. Ryan, 2010-01-12 *Walking and Talking Feminist Rhetorics* Landmark Essays and Controversies gathers significant oft-cited scholarship about feminism and rhetoric into one convenient volume Essays examine the formation of the vibrant and growing field of feminist rhetoric feminist historiographic research methods and methodologies and women's distinct sites genres and styles of rhetoric The book's most innovative and pedagogically useful feature is its presentation of controversies in the form of case studies each consisting of exchanges between or among scholars about significant questions Madeleine Albright Barbara Kramer, 2000 Describes the personal life and political career of Madeleine Albright the first woman to become Secretary of State **Claytie and the Lady** Sue Tolleson-Rinehart, Jeanie R. Stanley, 2010-07-22 It was like a remake of *The Cowboy and the Lady* except that this time they weren't friends The 1990 Texas governor's race pitted Republican Clayton Williams a politically conservative rancher and oil millionaire against Democrat Ann Richards an experienced progressive politician

noted for her toughness and quick wit Their differences offered voters a choice not only of policies and programs but also of stereotypes and myths of men s and women s proper roles Claytie and the Lady is the first in depth look at how gender affected the 1990 governor s race The authors analysis reveals that Ann Richards victory was a result of a unique combination of characteristics She was simultaneously tough enough to convince voters that she could lead and feminine enough to put them at ease At the same time she remained committed to the progressive and women s issues that had won her the early support of feminists and progressives The authors also show how Clayton Williams appeal to the Texas cowboy myth backfired when he broke the cowboy code of chivalry to women The authors set their discussion within the historical context of twentieth century Texas politics and the theoretical context of gender politics in order to pose a number of thought provoking questions about the effects of women s participation in political life Interviews with key players in the 1990 election including Governor Ann Richards add a lively and insightful counterpoint to the text *Rosie O'Donnell* Virginia Meachum,2000 A biography of a popular talk show host describing her childhood education and career in comedy the movies on Broadway and on television **The Catholic Library World** John M. O'Loughlin,Francis Emmett Fitzgerald,1995

Gary Paulsen Edith Hope Fine,2000 A biography of the outdoor adventurer and author whose writing includes adventure stories historical novels sports books and nature stories **Jack London** Elaine Slivinski Lisandrelli,1999 Jack London s life was as fascinating as any storyteller could have created London traveled the world as an oyster pirate sailor war correspondent hobo reporter and goldminer On the road he heard hundreds of stories of adventure and many true tales of suffering and everything he experienced went into his stories Through primary research and interviews author Elaine Lisandrelli draws a colorful profile of Jack London from his early years of poverty and struggle to his triumph as one of the most popular writers in the world He was a powerful voice for the poor and downtrodden Before his death at the young age of forty London secured his place in literature with favorites like *White Fang* and *The Call of the Wild* These and other vivid stories inspired by London s explorations of the land the sea and the heart continue to captivate new generations of readers

Stephen King Suzan Wilson,2000 Traces the life of a popular novelist from his childhood as an avid reader to his current success as a creator of horror fiction *John Glenn* Michael D. Cole,2000 The life of Senator John Glenn from his childhood in small town Ohio through his days as an astronaut to his present political career and his 1998 return to space **Robert Ballard** Christine M. Hill,1999 Descending deeper and deeper to the ocean floor the tiny robot navigated by Robert Ballard s team encounters the ghostly remains of a large vessel Within minutes they realize they have found what they were searching for In discovering the Titanic Robert Ballard became the most famous oceanographer of our time Along with a gripping account of the last moments of the Titanic author Christine M Hill takes readers on a fascinating voyage under the seas with this modern day explorer Ballard s numerous missions to study ocean floor geology and archeology have resulted in important scientific advances For oceanographer Robert Ballard finding the Titanic was only one of many extraordinary

accomplishments **Al Gore** Laura S. Jeffrey,1999 Surveys the childhood military career and political activities of the man who served as vice president under Bill Clinton **Women Politicians and the Media** Maria Braden,1996-01-01 Throughout the decades Braden traces a persistent double standard in media coverage of women s political campaigns Her personal interviews with recent women politicians including Margaret Chase Smith Bella Abzug Kay Bailey Hutchison Nancy Kassebaum and Ann Richards reveal their agonizing struggles to get across to the public the message that they are competent candidates capable of holding high office and shaping our nation s course Living in the Eighties Gil Troy,Vincent J. Cannato,2009-10-22 In this volume in the Viewpoints on American Culture series senior and junior scholars as well as one former Reagan official and a leading record executive assess the cultural social economic and political significance of the 1980s *Basics of Digital Computer Programming* John S. Murphy,1972 Provides a broader and more practical picture of the computer programmer s job **Christopher Reeve** Laura Lee Wren,1999 In the years after Christopher Reeve rocketed to stardom as Superman he worked hard to regain an image as a serious actor not a cardboard superhero He also used his popularity and influence to support human rights animal rights the environment and other causes Reeve faced his greatest challenge of all when he was paralyzed from the neck down in a horseback riding accident This book takes Reeve personally and professionally from his boyhood in Princeton New Jersey to his life as a wheelchair bound actor director and activist who has given new meaning to the word hero *Tom Hanks* Barbara Kramer,2001 Discusses the life of Tom Hanks including his various talents as film actor director writer and producer *Books for You* National Council of Teachers of English, Urbana, IL.,1995 Designed to help teachers students and parents identify engaging and insightful books for young adults this book presents annotations of over 1 400 books published between 1994 and 1996 The book begins with a foreword by young adult author Chris Crutcher a former reluctant high school reader that discusses what books have meant to him Annotations in the book are grouped by subject into 40 thematic chapters including Adventure and Survival Animals and Pets Classics Death and Dying Fantasy Horror Human Rights Poetry and Drama Romance Science Fiction War and Westerns and the Old West Annotations in the book provide full bibliographic information a concise summary notations identifying world literature multicultural and easy reading title and notations about any awards the book has won Appendixes present lists of award winning works of poetry fiction drama and nonfiction for the years 1994 through 1997 a list of approximately 500 multicultural titles a 94 item list of world literature titles and directions on how to order Author subject and title indexes are attached RS
