

Anna, a prophet,
was also there
in the Temple. ...
She came along
just as Simeon was talking
with Mary and Joseph,
and she began praising God.
She talked about
the child to everyone
who had been
waiting expectantly
for God to rescue Jerusalem.

Caved In Polly Gwinn, 2015-11-23 It would take more than two people to drag me into a cave cistern pit or anything enclosed underground This is not a challenge but rather a caution Never having been inside a cave this is all speculation but I believe caves to be dark damp hazardous and snaky There are many caves mentioned in the Bible along with tombs cisterns clefts strongholds and various places to hide or be imprisoned I have extracted a few of these from the Word of God for your enjoyment and enlightenment and have put a different twist on a few I have not changed the Scripture but have simply used another view of caved in We can be caved in by actual caves tombs graves or any other enclosed structures Another kind of caved in is emotional meaning that you have been mentally crushed by hurt insults or rejection or a physical cave in like skidding on black ice or perhaps having major surgery Self inflicted wounds like what Adam and Eve experienced can cause devastating cave ins We are not expected to bring ourselves out of caves like graves or tombs but we can and should call on God to bring us out of emotional physical and spiritual caves just as easily as He brought Lazarus out of his tomb after he had been dead for four days This book is filled with diverse caves and cave ins Because of the numerous short stories there is no index nor is the book divided into chapters So just jump in anywhere settle in for some easy Scripture included reading and look for your cave and a way out Allow the touch of the Master's hand
