## **Anna Marinkovich:**

A Girl Holding Lilacs Ed Ifkovic, 2002-10 *A Girl Holding Lilacs* tells the story of the young daughter of a struggling immigrant family from Croatia living on a small farm in Connecticut during the bleak Depression bound 1930s The family is isolated not only from its cherished Old Country roots but also from the large vibrant Croatian colonies of the Midwest As Anna moves from her six years into adolescence she chronicles with increasing fright and confusion the effects of America on the world she knows She watches her parents change before the harsh new life and she watches as her beloved brother Joey the American born happy go lucky boy who wants so much from life slowly drown in a world of despair and decay Originally published in 1980 as Anna Marinkovich this edition has been rewritten in keeping with the author's original intentions

Diana's Dogs Ed Ifkovic, 2007-10 The Guinness Book of World Records calls her the best selling female singer in history Billboard named her the Celebrity of the Century Diana Ross lead singer of the most popular girl group of the 1960s and later a consummate solo artist has been in the public eye for over four decades From 1964 when *Where Did Our Love Go* rose to number one on the pop charts to the present day she has been the ultimate diva an artist worshiped by fanatical fans yet pilloried in the press for her temper tantrums and untoward demands Ed Ifkovic delivers his own spin on this international celebrity an idiosyncratic collection of short pieces that create a portrait of the mercurial star From a Detroit housing project to a Connecticut mansion who is this woman who exacts such loyalty from her fans and such vitriol from her detractors There are pieces on Diana's tantrums true but also jottings on the homes she's lived in the food she eats the cars she drives even her role as muse for writers There is a collection of poetic similes commentators have employed to describe her as well as a mind boggling catalogue of garish tabloid headlines This off beat book admittedly an obsessive fan's unembarrassed send up equal parts delight and censure is a spirited yet sardonic tale that also explores the integration of black music into the white mainstream Frankly Diana led that noble charge What the author delights in is the unorthodox observation and gossipy tidbit that accompanied that revolution
