From the award winning and much loved Italian food writer Anna Del Conte comes a beautiful and inspiring book about cooking with children Coco is Anna Del Conte s 12 year old granddaughter and her tireless helper in the kitchen From a very early age Coco showed an interest in food and cooking Anna taught her to smell and taste food and soon enough Coco was able to start helping progressing from decorating cakes to making pasta to conjuring up her favourite tagines Taking us from the simple dishes of the early stages through to more complex cooking for older children by way of meatballs Coco s first biscuits lamb with couscous and sweet ricotta pancakes and illustrated with beautiful photographs Anna Del Conte brings us the best of all the recipes they have cooked together In a relaxed informal style she shows how to teach children the importance of seasonal food how to introduce new skills and techniques and how to choose the best ingredients But Cooking with Coco is also an inspirational reminder of how much fun families can have together in the kitchen Written by an internationally renowned cook food writer and grandmother for all the eager and sometimes mischievous faces around her table Cooking with Coco is a book for anyone who wants to introduce children to simple healthy and delicious cooking and the joy and satisfaction of making it themselves **The Oxford Companion to Italian Food** Gillian Riley,2007-11-01 Here

is an inspiring wide ranging A Z guide to one of the world s best loved cuisines Designed for cooks and consumers alike The Oxford Companion to Italian Food covers all aspects of the history and culture of Italian gastronomy from dishes ingredients and delicacies to cooking methods and implements regional specialties the universal appeal of Italian cuisine influences from

outside Italy and much more Following in the footsteps of princes and popes vagabond artists and cunning peasants austere scholars and generations of unknown unremembered women who shaped pasta moulded cheeses and lovingly tended their cooking pots Gillian Riley celebrates a heritage of amazing richness and delight She brings equal measures of enthusiasm and expertise to her writing and her entries read like mini essays laced with wit and gastronomical erudition marked throughout by descriptive brilliance and entirely free of the pompous tone that afflicts so much writing about food The Companion is attentive to both tradition and innovation in Italian cooking and covers an extraordinary range of information from Anonimo Toscano a medieval cookbook to Bartolomeo Bimbi a Florentine painter commissioned by Cosimo de Medici to paint portraits of vegetables to Paglierina di Rifreddo a young cheese made of unskimmed cows milk to zuppa inglese a dessert invented by 19th century Neapolitan pastry chefs Major topics receive extended treatment The entry for Parmesan for example runs to more than 2 000 words and includes information on its remarkable nutritional value the region where it is produced the breed of cow used to produce it the razza reggiana or vacche rosse the role of the cheese maker the origin of its name Moli re s deathbed demand for it its frequent and lustrous depiction in 16th and 17th century paintings and the proper method of serving where Riley admonishes One disdains the phallic peppermill but must always appreciate the attentive grating at the table of parmesan over pasta or soup as magical in its way as shavings of truffles Such is the scope and flavor of The Oxford Companion to Italian Food For anyone with a hunger to learn more about the history culture and variety of Italian cuisine The Oxford Companion to Italian Food offers endless satisfactions
