Annals of a Quiet Neighbourhood George MacDonald, 2021-04-12 So little do I give in to calling this outside of me ME that I should not mind presenting a minute description of my own person such as would at once clear me from any suspicion of vanity in so introducing myself Not that my honesty would result in the least from indifference to the external but from comparative indifference to the transitional not to the transitional in itself which is of eternal significance and result but to the particular form of imperfection which it may have reached at any individual moment of its infinite progression towards the complete For no sooner have I spoken the word NOW than that NOW is dead and another is dying nay in such a regard there is no NOW only a past of which we know a little and a future of which we know far less and far more But I will not speak at all of this body of my earthly tabernacle for it is on the whole more pleasant to forget all about it And besides I do not want to set any of my readers to whom I would have the pleasure of speaking far more openly and cordially than if they were seated on the other side of my writing table I do not want to set them wondering whether the vicar be this vicar or that vicar or indeed to run the risk of giving the offence I might give if I were anything else than a wandering voice I did not feel as I feel now when first I came to this parish For as I have said I am now getting old very fast True I was thirty when I was made a vicar an age at which a man might be expected to be beginning to grow wise but even then I had much yet to learn I well remember the first evening on which I wandered out from the vicarage to take a look about me to find out in short where I was and what aspect the sky and earth here presented Strangely enough I had never been here before for the presentation had been made me while I was abroad I was depressed It was depressing weather Grave doubts as to whether I was in my place in the church would keep rising and floating about like rain clouds within me Not that I doubted about the church I only doubted about myself Were my motives

pure What were my motives And to tell the truth I did not know what my motives were and therefore I could not answer about the purity of them Perhaps seeing we are in this world in order to become pure it would be expecting too much of any young man that he should be absolutely certain that he was pure in anything But the question followed very naturally Had I then any right to be in the Church to be eating her bread and drinking her wine without knowing whether I was fit to do her work To which the only answer I could find was The Church is part of God s world Annals of a Quiet Neighbourhood George MacDonald,2017-02-11 A work of faith and hope repentance and redemption this novel set in Marshmallows a rural location in Victorian England is the story of a young vicar Harry Walton beginning work in his first parish As he wins the confidence and affection of his parishioners he also comes to know the web of entanglements and sorrows that bind many of them including the lovely and evasive young woman who lives with her mother and niece in stately Oldcastle Hall the center of some of the neighborhood s longest hidden secrets George MacDonald 10 December 1824 18 September 1905 was a Scottish author poet and Christian minister He was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll His writings have been cited as a major literary influence by many notable authors including W H Auden C S Lewis J R R Tolkien Walter de la Mare E Nesbit and Madeleine L Engle C S Lewis wrote that he regarded MacDonald as his master Picking up a copy of Phantastes one day at a train station bookstall I began to read A few hours later said Lewis I knew that I had crossed a great frontier G K Chesterton cited The Princess and the Goblin as a book that had made a difference to my whole existence Elizabeth Yates wrote of Sir Gibbie It moved me the way books did when as a child the great gates of literature began to open and first encounters with noble thoughts and utterances were unspeakably thrilling Even Mark Twain who initially disliked MacDonald became friends with him and there is some evidence that Twain was influenced by MacDonald Christian author Oswald Chambers 1874 1917 wrote in Christian Disciplines vol 1 pub 1934 that it is a striking indication of the trend and shallowness of the modern reading public that George MacDonald s books have been so neglected In addition to his fairy tales MacDonald wrote several works on Christian apologetics including several that defended his view of Christian Universalism
