The Eagle Returns C. Paul Burnham, 2018-03-22 The Gospel of John was long assumed to be the work of an eyewitness usually identified as John son of Zebedee More recently many have judged it the unhistorical product of a Johannine community Reconsideration by Richard Bauckham has suggested that the author was a Jerusalem disciple who housed the Last Supper This book explores the possibility that he was present at most of the events he described It contends that John's Gospel reveals the real Jesus and that the Evangelist was one of the most perceptive Christian writers of all time The Gospel strongly advocates belief that Jesus was uniquely related to God and hence uniquely authoritative thus providing an urgent evangelical thrust to this book

Baldemor, 2024-12-15 From the rise of Herod ca 44 BCE to the destruction of Jerusalem 70 CE The Son Cometh is an exegetical systematic and historical study chronicling several religious and political strands central to the life and ministry of Jesus Christ As an exposition of the Christian faith this work not only apologetically and evangelistically endeavors to provide the reader with the historical context and approximate timeline for the writing of the New Testament canon e g the Synoptic Gospels John Acts Revelation and other apostolic epistles but also a background to the Law and Prophets as foreshadows and types leading up to the fullness of time including extensive references and citations of other Jewish Roman and Christian primary sources e g Philo Josephus and Eusebius **The Cumulative Book Index** , 1989 A world list of books in the English language *The Passion and Death of Our Lord Jesus Christ* Alban Goodier, 2017-03-31 Archbishop Alban Goodier S J fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history culture and his own deep spiritual insights He brings to life and unifies the many observations emotions and subtle and not so subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment The author s unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years He draws from the obvious as well as the obscure and finds supernatural meaning in the most mundane actions that surround the suffering Christ In the hands of this writer the Lord s few words accompanied by the author s commentary challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles The author was born in 1869 in Lancashire northern England and educated at the prominent Catholic college Stonyhurst which has been the source of many English Catholic politicians intellectuals and business people After a degree from the University of London he was ordained a Jesuit in 1903 He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939 **Oh, Jerusalem, Jerusalem** Leon Arceneaux, 2012-04 BOOK ONE A TIME TO MORN A TIME TO DANCE The New Testament offers only points of truth that Mary told Joseph she was pregnant for instance that they had to go to

Bethlehem to register for the census but it doesn't include the human drama that occurs between these moments. It doesn't illustrate the challenge a pregnant Mary faced in making a ninety mile trip on foot and on donkey. It doesn't describe the anxiety of a husband traveling with his wife in her ninth month of pregnancy. A Time to Morn A Time to Dance fills these gaps telling a story that follows Mary and Joseph from their first meeting through the birth of Jesus their flight into Egypt and back into the welcoming arms of their family. BOOK TWO THE TRAP In the time of Jesus the Sadducees controlled the Temple and the high Jewish council the Sanhedrin but had little influence among the common people. They were a conservative political group engaged in a bitter power struggle with the increasingly powerful Pharisees. The Sadducees grew concerned about the well liked Jesus fearful he would spawn a popular uprising and cause them to lose control to the Pharisees. Alphaeus a rich Sadducee volunteers to set a trap for Jesus and bring him down. But the plan is complicated when he falls in love with his servant girl a faithful follower of Jesus.

Mamreov, 1895 **Jesus A Revelation of God: A comparative study of the words of Jesus in the Bible & The Urantia Book** Laurence Whelan, 2005-07-05 Jesus A Revelation of God JESUS A REVELATION OF GOD is a comparative study of Jesus words in The Bible and The Urantia Book. In JESUS A REVELATION OF GOD Laurence unlocks the truths contained in the four gospels of Matthew Mark Luke and John. Laurence started by cutting the words of Jesus from each of the four gospels. He then put each passage together in chronological order combining the material into one story. Laurence used thirty five versions of the Bible along with ten other books by other writers on the gospels to write JESUS A REVELATION OF GOD. Laurence then compares Jesus words in The Bible with the words of Jesus in The Urantia Book. Laurence Whelan has been searching all his life for the truth. His effort has culminated in a nineteen year study of the words of Jesus. Mr Whelan hopes that JESUS A REVELATION OF GOD will lead you one step closer to the truth. This book is the second edition of JESUS A REVELATION OF GOD the third of three books. Mr Whelan has completed 1 JESUS THE WORD contains only the words of Jesus 2 JESUS THE WORDS OF JESUS contains the story of Jesus 3 JESUS A REVELATION OF GOD is a comparative study of Jesus words in The Bible and The Urantia Book.
