**Gentiles** Joe Greek, 2014-07-15 Since 1953 the State of Israel has named non-Jews who risked their lives to help save Jews during the Holocaust as Righteous Among the Nations Known as righteous gentiles these individuals summoned the strength to put aside their own safety to oppose the Nazis This engrossing volume educates readers about some of the noteworthy righteous gentiles and groups who stood to lose everything as they aided and fought for the Jews with words as well as weapons Photographs and quotes from primary source documents pull the reader into the inimitable experiences of these heroes **An Obsession with Anne Frank** Lawrence Graver, 2023-11-10 Anne Frank's Diary has been acclaimed throughout the world as an indelible portrait of a gifted girl and as a remarkable document of the Holocaust For Meyer Levin the respected writer who helped bring the Diary to an American audience the Jewish girl's moving story became a thirty-year obsession that altered his life and brought him heartbreaking sorrow Lawrence Graver's fascinating account of Meyer Levin's ordeal is a story within a story What began as a warm collaboration between Levin and Anne's father Otto Frank turned into a notorious dispute that lasted several decades and included litigation and public scandal Behind this story is another one man's struggle with himself as a Jew and as a writer in postwar America Looming over both stories is the shadow of the Holocaust and its persistent complex presence in our lives Graver's book is based on hundreds of unpublished documents and on interviews with some of the Levin-Frank controversy's major participants It illuminates important areas of American culture publishing law religion politics and the popular media The Red Scare anti-McCarthyism and the commercial imperatives of Broadway are all players in this book along with the assimilationist mood among many Jews and the simplistic

pieties of American society in the 1950s Graver also examines the different and often conflicting ways that people the world over Jewish and Gentile wanted Anne Frank and her much loved book to be represented That her afterlife has in extraordinary ways taken on the shape and implications of myth makes Graver s story and Meyer Levin s even more compelling This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995 *Shameless* Tanya Gold,2025-08-21 The Shoah is everywhere in popular culture but as it really was it is nowhere Tanya Gold In novels film and popular culture the Holocaust genre is booming Streaming hits and bestsellers are playing a vital role in shaping our understanding of the past But as Tanya Gold shows in this excoriating essay the creators of these works all too often engage in crass or self serving exploitation In this new wave of Shoah blockbusters the destruction of the Jews becomes a plot device Auschwitz a readymade backdrop and the truth is elided or erased They pretend to be looking but they are looking away Shameless is a moral reckoning It traces the link between the glibness of these representations and the persistence of the hatred that fuelled the Shoah and warns of the dangers when memory is distorted and history is turned into spectacle **Cambridge IGCSE(TM) and O Level Sociology Coursebook with Digital Access (2 Years)** Jonathan Blundell,Katherine Roberts,2023-03-23 This series supports learners through the Cambridge IGCSE TM and O Level Sociology syllabus 0495 2251 Anne Frank's The Diary of Anne Frank Harold Bloom,2010 Collection of critical essays about issues related to Anne Frank s diary Exaro Versus ,2004
