Heavilin, Charles W. Heavilin, 2014-07-03 *From an Existential Vacuum to a Tragic Optimism* The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl's logotherapy from the Greek *logos* for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age's existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in

**Time to Dance** Milli Laughlin, 2008-12-01 In August of 1983 Mark Laughlin a young graduate student was involved in a seemingly minor bicycling accident Thirty three hours later he was lying in bed his body stiff from convulsions and blood gushing from his mouth Its seldom that we are allowed to watch a crisis unfold in which the key players let God be God Many people believe that God is in control and can do what he pleases that is until we are gripped by an overwhelming experience When a trauma of this magnitude strikes we often question and criticize God In Laughlins story A Time to Dance we see how belief in Gods sovereignty affects the individual the family the pastor and the church We see faith stretched to its breaking point but never lost or broken In spite of the hopelessness of Marks situation the Laughlin family clings to their faith a faith also willing to release a beloved son and brother if that is indeed part of Gods plan A Time to Dance is a powerful illustration of the unwavering devotion displayed by the Laughlins It takes you behind the scenes of a tragedy and allows you to share in the miraculous experiences of a family that trusted God Discernment of Spirits in Marriage Fr. Timothy

Gallagher, 2020-09-10 To navigate the inevitable ups and downs of our spiritual lives countless souls have found comfort and guidance in St Ignatius of Loyola s Rules for Discernment For the past forty years popular retreat master and author Fr Timothy Gallagher has been at the forefront of making St Ignatius s Rules understandable and applicable to hundreds of thousands of Catholics seeking greater sensitivity to the movements of their souls Now Fr Gallagher returns with a more focused mission to help you apply these rules to your role as a husband or a wife In Discernment of Spirits in Marriage Fr Gallagher aims to free you from discouragement and assist you in finding peace in your spiritual life and in your marriage He will help you determine what is of God and what is not and will show you how the enemy works to discourage you in your daily spousal interactions in order to undermine both your spiritual growth and your marital bond Best of all you ll learn what to do about it With St Ignatius and Fr Gallagher as your guides you ll learn How to identify and remove spiritually harmful habits The eleven forms of spiritual desolation and the four things you must do to combat it Why God permits spiritual dryness The easiest way to resist temptation Your marriage s most vulnerable place and how to strengthen it The four tactics of the enemy and the grace filled responses you can offer to each The five ways in which God strengthens husbands and wives who seek to grow spiritually **Deep Dark Royal Shades** Oswald Eakins, Scandals are nothing new to the royal

family of the United Kingdom From abdication crisis heart breaking love stories infidelity and libelous affairs with married men to topless photos of the royals gracing the covers of popular tabloids bribery charges sexual assault allegations late night phone calls tax havens and tell all interviews the royals have had it all When the youngest couple Prince Harry and Megan Markle the Duke and Duchess of Sussex gave a tell all interview with Oprah Winfrey it turned into a firestorm The Harry Meghan interview was riven with accusations of racism Many criticized her accusing Meghan of washing her dirty linen in public while many others came in warm support for her This was not the first time the Queen handled a mess that her extended family often created The Queen has scrupulously strived to maintain the royal family s pristine image The

abdication crisis of 1936 had rocked the very foundations of the UK royal family when Edward VIII relinquished his throne and all royal status to marry the love of his life Wallis Simpson Their story of a king renouncing his kingship to wed the love of his life is all lovey dovey but it had long standing repercussions and it derailed an entire line of succession So much is at stake that the rigidity of royal life is not completely unfounded or without a purpose      Reframing Organizations Lee G. Bolman, Terrence E. Deal, 2013-01-09 In this third edition of their best selling classic authors Lee Bolman and Terrence Deal explain the powerful tool of reframing The authors have distilled the organizational literature into a comprehensive approach for looking at situations from more than one angle Their four frames view organizations as factories families jungles and theaters or temples The Structural Frame how to organize and structure groups and teams to get results The Human Resource Frame how to tailor organizations to satisfy human needs improve human resource management and build positive interpersonal and group dynamics The Political Frame how to cope with power and conflict build coalitions hone political skills and deal with internal and external politics The Symbolic Frame how to shape a culture that gives purpose and meaning to work stage organizational drama for internal and external audiences and build team spirit through ritual ceremony and story      **The Model** Valerie Lee J, 2013-09-19 Allison Randall considered herself successful in real estate She was once married to Edgar He worked as a consultant inside of his office Their differences in life had become more than their relationship could withstand They decided to separate and eventually divorce Edgar decides to work for a peace organization Allison continued to raise their daughter Lynn on her own Allison realizes that she is capable of a career change and decides to work with a photographer by the name of Lowell He introduces her to a career of modeling Lynn enjoys being around Lowell Lowell and Allison continue to focus on their careers and their newly formulated family      **The Longing for a Form** Peter J. Schakel, 2008-06-02 C S Lewis s extremely popular works of fiction have been widely discussed in terms of the ideas and religious themes they express and defend but less often in terms of their purely literary qualities Ironically Lewis himself a noted literary critic would have objected to any such one sided analysis of his works To concentrate exclusively or even primarily on the content of a work without a consideration of its form and style was in his view a seriously unbalanced method of criticism The Longing for a Form corrects this critical imbalance by supplying a theoretical background and detailed close readings for a better understanding and appreciation of Lewis s fiction as works of art Following three general studies a section of the book is devoted to each to Lewis s major efforts in fiction the Ransom trilogy the Chronicles of Narnia and Till We Have Faces considering the distinctive literary features of each group and individual books within the group Running through the book is an emphasis on form as literary kind and as structure and a recurrent attention to three themes of particular importance in Lewis as a writer of fiction objectivism longing and the literary artist as creator Individually the essays supply fresh insights into the style and meaning of specific works by Lewis as a group they illustrate a depth technical skill and unity of thought and theme which have not previously been accorded Lewis as an artist in fiction      *Encyclopedia*
