The Book Tree Elizabeth McCallum,Jane Scott,2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don t know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it s easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself *American Book Publishing Record* ,1996-09 **Children's Books in Print, 2007** ,2006 **Bowker's Guide to Characters in Fiction** ,2003 **The Many Resurrections of Henry Box Brown** Martha Cutter,2022-11-15 On March 23 1849 Henry Brown climbed into a large wooden postal crate and was mailed from slavery in Richmond Virginia to freedom in Philadelphia Pennsylvania Box Brown as he came to be known after this astounding feat went on to carve out a career as an abolitionist speaker actor magician hypnotist and even faith healer traveling the United States the United Kingdom and Canada until his death in 1897 The Many Resurrections of Henry Box Brown is the first book to show how subversive performances were woven into Brown s entire life from his early days practicing magic in Virginia while enslaved to his last shows in Canada and England in the 1890s It recovers forgotten elements of Brown s history to illustrate the ways he made himself a spectacle on abolitionist lecture circuits via outlandish performances and then fell off these circuits and went on to reinvent himself again and again Brown s stunts included creating a moving panoramic picture show about his escape parading through the streets dressed as a Savage Indian or African Prince convincing hypnotized individuals that they were sheep who would gobble down raw cabbage performing magic dark s ances and ventriloquism and even climbing back into his original box to jump out of it on stage In this study Martha J Cutter analyzes contemporary resurrections of Brown s persona by leading poets writers and visual artists Both in Brown s time and in ours stories were created invented and embellished about Brown continuing to recreate his intriguing albeit fragmentary and elusive story The Many Resurrections of Henry Box Brown fosters a new understanding not only of Brown s life but of modern Black performance art that provocatively dramatizes the unfinished work of African American freedom *Children's Books in Print* R R Bowker Publishing,Bowker,1999-12 **Children's Books In Print 1998** Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 **The Cumulative Book Index** ,1997 A world list of books in the English language *For Younger Readers* ,2007 The Crime of the Century; Or, The
