Annie John:

Caribbean Genesis Jana Evans Braziel, 2009-01-05 By exploring the breadth of Jamaica Kincaid's writings this book reveals her work's transmutations of genre specifically those of autobiography biography and history in relation to the forces of creation and destruction in the Caribbean. Jana Evans Braziel examines Kincaid's preoccupation with genealogy genesis and genocide in the Caribbean her adaptations of biblical texts for her literary oeuvre and her authorial deployments of the diabolic as frames for both rethinking the boundaries of genre and altering notions of subjectivity objectivity self and other.

The Sexual Demon of Colonial Power Greg Thomas, 2007 Interrogates the language of body politics in the context of neo colonialist domination. Understanding Jamaica Kincaid Justin D. Edwards, 2007 Understanding Jamaica Kincaid introduces readers to the prizewinning author best known for the novels *Annie John* *Lucy* and *The Autobiography of My Mother*. Justin D. Edwards surveys Jamaica Kincaid's life career and major works of fiction and nonfiction to identify and discuss her recurring interests in familial relations Caribbean culture and the aftermath of colonialism and exploitation. In addition to examining the haunting prose rich detail and personal insight that have brought Kincaid widespread praise Edwards also identifies and analyzes the novelist's primary thematic concerns the flow of power and the injustices faced by people undergoing social economic and political change. Edwards chronicles Kincaid's childhood in Antigua her development as a writer and her early journalistic work as published in the *New Yorker* and other magazines. In separate chapters he provides critical appraisals of Kincaid's early novels her works of nonfiction including *My Brother* and *A Small Place* and her more recent novels including *Mr Potter* colonization and neocolonization and warns her readers about the dire consequences of inequality in the era of globalization. *Jamaica Kincaid* Moira Ferguson, 1994 As a writer who has been quoted as saying she writes to save her life that is she couldn't write she would be a revolutionary Antiguan novelist Jamaica Kincaid translates this passion into searing exhilarating prose. Her weaving of history autobiography fiction and polemic has won her a large readership. In this first book length study of her work Moira Ferguson examines all of Kincaid's writing up to 1992 focusing especially on their entwinement of personal and political identity. In doing so she draws a parallel between the dynamics of the mother daughter relationship in Kincaid's fiction and the more political relationship of the colonizer and the colonized. Ferguson calls this effect the doubled mother a conception of motherhood as both colonial and biological. *Annie John* Jamaica Kincaid, 1986 Episodes from the young life of Annie John aged 10 to 17 as she grows up on the Caribbean island of Antigua. This is a magical coming of age tale ripe with the special ambience of its tropical setting and sustained by Annie's far from naive awareness of the world around her. Death illness and poverty intrude on the narrator's perceptive sensibility from time to time but even these experiences instruct her and expand her understanding of life and its shifting reality. Although Annie leaves Antigua at the end of the novel for a new role as a student in England the hollowness she feels at her departure is balanced by the new self that awaits her as she begins the search for her own identity. A poetic and intensely moving work.

from the author of *At the Bottom of the River* Reviewed April 1 1985 Booklist Review Mother, She Wrote Yi-Lin Yu, 2005 In this enjoyable and insightful book Yi Lin Yu takes the heated and ongoing feminist debate over motherhood and maternal subjectivity onto a new plane in search of a new synthesis With its specific focus on the three tiered matrilineal narratives *Mother She Wrote* is distinguished by its complex and innovative deployment of psychoanalytic subject relations theories and a meticulous and detailed discussion of various literary texts which calls forth a powerful reformulation of these narratives One of the main strengths of this book is this simultaneous and tactful command of theory and literary practice Apart from advocating the burgeoning development of women's writing of matrilineal narratives the author also sheds new light on further research in the area of feminist motherhood and mothering Publisher's description *Middle Passages and the Healing Place of History* Elizabeth Brown-Guillory, 2006 *Middle Passages and the Healing Place of History* Migration and Identity in Black Women's Literature brings together a series of essays addressing black women's fragmented identities and quests for wholeness The individual essays concern culturally specific experiences of blacks in select African countries England the Caribbean the United States and Canada They examine identity struggles by establishing the Middle Passage as the first site of identity rupture and the subsequent break from cultural and historical moorings In most cases the authors themselves have migrated from their places of origin to new spaces that present challenges Their narratives replicate the displacement engendered by their own experiences of living with the complexities of diasporic existence Their female characters many of whom participate in multiple border crossings work to define themselves within a hostile environment In nearly every essay the female characters struggle against multiple yokes of oppression giving voice to what it means to be black female poor old and alone The subjects migrations and journeys are analyzed as attempts to heal the displacement both physical and psychological that results from dislocation and relocation from the homeland imagined variously as Africa This volume reveals that black women across the globe share a common ground fraught with struggles but the narratives bear out that these women are not easily divided and that they stand upon each other's shoulders dispensing healing balms Black women's history and herstory commingle the trauma that ensued when Africans were loaded onto ships in chains continues to haunt black women and men too wherever they find themselves in this present moment of the Diaspora **Jamaica Kincaid** J. Brooks Bouson, 2012-02-01 Haunted by the memories of her powerfully destructive mother Jamaica Kincaid is a writer out of necessity Born Elaine Potter Richardson Kincaid grew up in the West Indies in the shadow of her deeply contemptuous and abusive mother Annie Drew Drawing heavily on Kincaid's many remarks on the autobiographical sources of her writings J Brooks Bouson investigates the ongoing construction of Kincaid's autobiographical and political identities She focuses attention on what many critics find so enigmatic and what lies at the heart of Kincaid's fiction and nonfiction work the mother mystery Bouson demonstrates through careful readings how Kincaid uses her writing to transform her feelings of shame into pride as she wins the praise of an admiring critical establishment and an ever growing reading public

Jamaica Kincaid's Writings of History Antonia Purk, 2023-09-18 Jamaica Kincaid's works consistently explore how colonial history affects contemporary everyday lives. Throughout her novels, short fiction, and non-fictional essays, Kincaid's texts engage with history through its medial representations, which are starkly determined by colonial perspectives. This study examines the entanglements of temporalities in current perceptions of the past and how literary text intervenes in historical consciousness. With a focus on the media text, image, and the human body, the chapters of this book demonstrate how Kincaid's poetics of impermanence counter colonial representations of history with strategies of ambiguity, repetition, and redirection. Kincaid's texts repeat and revise aspects of colonial history, a process that decenters the totality of historical colonial ideology and replaces it with self-determined versions of the past through a multiplication of perspectives and voices.

Jamaica Kincaid Mary Ellen Snodgrass, 2008-07-23 Changing her name early in her career because her parents disapproved of her writing, Jamaica Kincaid crossed audiences to embrace feminist American postcolonial and world literature. This book offers an introduction and guided overview of her characters, plots, humor, symbols, and classic themes. Designed for students, fans, librarians, and teachers, the 84 A to Z entries combine commentary from interviewers, feminist historians, and book critics with numerous citations from primary and secondary sources and comparative literature. The companion features a chronology of Kincaid's life, West Indies heritage and works, and includes a character name chart.

Inquiry and Reflection Diane DuBose Brunner, 1994-01-01 *Inquiry and Reflection* shows how stories of schooling can elucidate difficult and unexamined problems facing teachers. While professional texts tend to raise issues of power and its distribution and questions of culture and ideology, often the manner of presentation is abstract, and pre-service teachers have difficulty making connections. Yet literary film and video materials illuminate problems and suggest ideas to which teachers can actively respond. This book offers teacher educators a variety of resources for articulating a critical pedagogy and suggests an alternative to the technical job training approach to teacher education by providing a unique educational curricula that illuminates issues of power, ideology, and culture.

Know No Boundaries Lateral Collateral, 2014-04 It is neither a thesis nor is it a novel. Not it is a fantasy, not even a fairy tale. With an event of mass disobedience, we start. No shot is fired, no one is physically hurt. On a sunny day at every airport of the world, people queue up for check-in with no visa in hand. One and all, in all the classes, economy, first, or business, no one had a visa, world citizenship, each like to harness. No international flight takes off. From Wellington, where the day starts. From other airports of New Zealand, too. No other plane departs. Nowhere in the world from any airport. Took off any International flight. Following day was no different. And the following night, all airlines give up. No end of the tunnel, no ushering light. The main suspect behind these events was John. John's identity is, however, very clear. To all passengers, he is very dear. For questioning his role in mass disobedience, arrested was John and served punishing sentence. He was punished to undergo forensic probes for extracting his memoir and his hopes. To get the events that led him to his roles. To his visions to cross boundary ropes. Mother Imagery in the Novels of

Afro-Caribbean Women Simone A. James Alexander, 2001 Focusing on specific texts by Jamaica Kincaid Maryse Conde and Paule Marshall this study explores the intricate trichotomous relationship between the mother biological or surrogate the motherlands Africa and the Caribbean and the mothercountry represented by England France and or North America The mother daughter relationships in the works discussed address the complex conflicting notions of motherhood that exist within this trichotomy Although mothering is usually socialized as a welcoming nurturing notion Alexander argues that alongside this nurturing notion there exists much conflict Specifically she argues that the mother daughter relationship plagued with ambivalence is often further conflicted by colonialism or colonial intervention from the other the colonial mothercountry Mother Imagery in the Novels of Afro Caribbean Women offers an overview of Caribbean women s writings from the 1990s focusing on the personal relationships these three authors have had with their mothers and or motherlands to highlight links despite social cultural geographical and political differences among Afro Caribbean women and their writings Alexander traces acts of resistance which facilitate the re writing righting of the literary canon and the conception of a newly created genre and a womanist tradition through fictional narratives with autobiographical components Book Jacket

The Contemporary American Short-Story Cycle James Nagel, 2004-04-01 James Nagel offers the first systematic history and definition of the short story cycle as exemplified in contemporary American fiction bringing attention to the format s wide appeal among various ethnic groups He examines in detail eight recent manifestations of the genre all praised by critics while uniformly misidentified as novels Nagel proposes that the short story cycle with its concentric as opposed to linear plot development possibilities lends itself particularly well to exploring themes of ethnic assimilation which mirror some of the major issues facing American society today

Reading American Novels and Multicultural Aesthetics L. Caton, 2007-12-25 Using romantic theories Caton analyzes America s contemporary novel Organized through the two sections of Theory and Practice *Reading American Novels and Multicultural Aesthetics* begins with a study of aesthetic form only to have it reveal the content of politics and history This presentation immediately offers a unified platform for an interchange between multiple cultural and aesthetic positions Romantic theory provides for an integrated examination of diversity one that metaphorically fosters a solid inclusive and democratic legitimacy for intercultural communication This politically astute cosmopolitan appreciation will generate an intriguing cross over audience from ethnic studies to American studies and from literary studies to romantic studies this book will interest a range of readers

In Praise of New Travelers Isabel Hoving, 2001 Approaching postcolonial theory through cultural analysis this book offers an accessible and concrete appraisal of current developments in postcolonial criticism Detailed readings of a range of Anglophone Caribbean migrant women s texts from the late 1980s and 1990s lead to sharp insights into three issues that are crucial to an understanding of the field place voice and silence The discussion of these issues allows us to trace current feminist postmodern and postcolonial debates about the nature of the speaking subject as it is emerging from today s postcolonial cultural practices Postcolonial criticism often understands this subject as hybrid and multiple This book shows how the specifics of this multiplicity must be acknowledged through analysis of the power structures and the violence through which this multiple subject is established The book is also a consistent inquiry into

reading positions The argument about the differences between postcolonialist black and Caribbean feminist white feminist and postmodern criticism is conducted as a discussion about the effects insights and blindnesses produced by these different ways of reading Caribbean migrant women s writing Scrutinizing the grain of these texts encourages us to move beyond the kind of general statements for which postcolonial theory has been severely criticized The author also extends her critique of reading positions to issues of methodology using these approaches to direct her interpretation Narratology is supplemented by an analysis of the interdiscursive processes through which texts are created and psychoanalytic concepts are used to explore the ambiguous merits of postcolonial reading Above all *In Praise of New Travelers* celebrates the vigorous subversive and liberating creativity of an accomplished generation of Caribbean migrant women writers
