[Arts & Humanities Citation Index](#), 2000 **Directory of American Scholars: English speech and drama**, 1999 [Current Index to Journals in Education](#), 1983 **Charlotte's Web**, 2006 **The Making of Jane Austen** Devoney Looser, 2017-06-27 An engaging account of how Jane Austen became a household name Just how did Jane Austen become the celebrity author and the inspiration for generations of loyal fans she is today Devoney Looser's *The Making of Jane Austen* turns to the people performances activism and images that fostered Austen's early fame laying the groundwork for the beloved author we think we know Here are the Austen influencers including her first English illustrator the eccentric Ferdinand Pickering whose sensational gothic images may be better understood through his brushes with bullying bigamy and an attempted matricide The daring director actress Rosina Filippi shaped Austen's reputation with her pioneering dramatizations leading thousands of young women to ventriloquize Elizabeth Bennet's audacious lines before drawing room audiences Even the supposedly staid history of Austen scholarship has its bizarre stories The author of the first Jane Austen dissertation student George Pellew tragically died young but he was believed by many including his professor mentor to have come back from the dead Looser shows how these figures and their Austen inspired work transformed Austen's reputation

just as she profoundly shaped theirs Through them Looser describes the factors and influences that radically altered Austen's evolving image Drawing from unexplored material Looser examines how echoes of that work reverberate in our explanations of Austen's literary and cultural power Whether you're a devoted Janeite or simply Jane curious *The Making of Jane Austen* will have you thinking about how a literary icon is made transformed and handed down from generation to generation

The World as Metaphor in Robert Musil's The Man Without Qualities Genese Grill, 2012 The first study to utilize the Klagenfurt Edition of Musil's Nachlass offers a close reading of textual variations emphasizing Musil's commitment to the artist's role in re-creating the world Robert Musil known to be a scientific and philosophical thinker was committed to aesthetics as a process of experimental creation of an ever-shifting reality Musil wanted above all to be a creative writer and obsessively engaged in almost endless deferral via variations and metaphoric possibilities in his novel project *The Man without Qualities* This lifelong process of writing is embodied in the unfinished novel by a recurring metaphor of self-generating de-centered circle worlds The present study analyzes this structure with reference to Musil's concepts of the utopia of the Other Condition Living and Dead Words Specific and Non-Specific Emotions Word Magic and the Still Life In contrast to most recent studies of Musil it concludes that the extratemporal metaphoric experience of the Other Condition does not fail but rather constitutes the formal and ethical core of Musil's novel The first study to utilize the newly published Klagenfurt Edition of Musil's literary remains a searchable annotated text *The World as Metaphor* offers a close reading of variations and text genesis shedding light not only on Musil's novel but also on larger questions about the modernist artist's role and responsibility in consciously re-creating the world Genese Grill holds a PhD in Germanic Literatures and Languages from the Graduate School and University Center of the City University of New York
