Annotated Legends:

Dragonlance Margaret Weiss, 2003 An all new fully annotated version of a classic Weis Hickman trilogy This annotated version of Time of the Twins War of the Twins and Test of the Twins contains extensive notes from New York Times best selling authors Margaret Weis Tracy Hickman as well as commentary from the original members of the Dragonlance setting conceptual team The titles in this collection though now almost two decades old continue to be among the most popular books in the entire publishing line from Wizards of the Coast Inc Hawaiian Legends in English A. Grove Day, Amos P. Leib, 2021-05-25 Over the past two centuries a considerable number of Hawaiian legends have been translated into English Although this material has been the subject of studies in anthropology ethnology and comparative mythology no study has been made made of the translations and the translators themselves Nor has a definitive bibliography of published translations been compiled The purpose of this volume is to provide an extensive annotated bibliography of both primary translations and secondary retellings in English together with a historical and critical study of the more important translations *Middle English Saints' Legends* John Scatall, Margaret Rogerson, 2005 Annotated bibliography covering two centuries of scholarly criticism on the extensive corpus of medieval saints legends with the assistance of Margaret Rogerson Saints legends are being increasingly recognised as one of the most important genres of the middle ages and attract much critical attention This volume surveys the scholarly literature of the nineteenth and twentieth centuries on the extensive Middle English corpus It also provides a conspectus of the genre's history in the Middle English period and its place in the development of the modern discipline of Middle English while both the introduction and the annotations give attention to the problematic boundaries between genres and to the issues involved in separating out texts from their manuscript contexts General studies of the corpus as a whole are covered as well as discussions and editions of individual legends of the various extended cycles of legends and of sermon collections that include hagiographic legends and exempla the volume has been structured so as to provide an overview of the research on major works for example the South English Legendary and St Erkenwald and authors such as Osbern Bokenham John Capgrave William Caxton and John Mirk It includes an Index of Scholars and Critics keyed to the Bibliography an Index of Middle English Texts that covers all works of whatever genre mentioned in the annotations and an Index of Manuscripts that gathers the references to the over 170 manuscripts cited
