inevitably suffered from the fallout of this failure In an elegantly written history that documents the colonial relationship between the CCF and the Saskatchewan north David M Quiring draws on extensive archival research and oral history to offer a fresh look at the CCF era This examination will find a welcome audience among historians of the north Aboriginal scholars and general readers CIS U.S. Serial Set Index: 80th-85th Congresses, 1947-1958. 3 v Congressional Information Service,1976 **Accession List** United States.
