Miller, Jeremy A. Blumenthal, Jared Chamberlain, 2014-11-18 This volume is the most comprehensive reference book on community sentiment available The classic book about community sentiment is Norm Finkel's Commonsense Justice Jurors Notions of the Law 1995 A similarly influential book called Justice Liability and Blame was published at the same time examining lay sentiment about a variety of criminal issues and suggesting ways in which the substantive criminal law could be reformed in light of such lay responses Robinson Darley 1995 Although these books were influential and important for their time and since this Handbook expands significantly on them both by updating research since that time and broadens

the scope of topic areas to ones that are not limited to trial and criminal justice issues Each chapter is original unpublished and focuses on an area related to children families many of which are hot topic areas in the news and courts today For instance the U S Supreme Court decided a case in June 2012 about the constitutionality of life without parole for juvenile offenders a topic discussed in the Fass and Miora chapter Thus it is of interest to those interested in family law topics as well

NL ARMS Netherlands Annual Review of Military Studies 2019 Wim Klinkert, Myriame Bollen, Marenne Jansen, Henk de Jong, Eric-Hans Kramer, Lisette Vos, 2019-07-16 This book has as its subject matter the academic education of officers and builds on the signing of the Bologna Declaration in 1999 by twenty nine European ministers for Education and Science who thereby agreed to coordinate higher education across Europe by for instance the implementation of the Bachelor s and Master s system In the meantime military academies have also introduced the BaMa system into their programs for officers education which marks a transition from the old days when officers education took place within a national military system under military command and was firmly grounded in principles traditions and needs as professed by the Ministries of Defence and the armed forces in particular So the Bologna Declaration can be seen as crucial leverage for the development of in house academic degree programs as a fundamental part of officers education With this volume the editors of NL ARMS 2019 strive to offer a platform to both academics and military and civilian practitioners as well as to combinations of these to reflect and share their thoughts on officers education before and after Bologna both in The Netherlands and abroad To this end controversies and challenges affecting various aspects and systems of officers education have been grouped into five themes Respectively the first four themes comprise institutional settings and change educational philosophy educational challenges and reflective practices and didactical solutions The fifth theme international perspectives provides insights into the strategic environments and challenges faced by sister academies as well as ways to further officers education across Europe such as offered by Erasmus programs All the editors of this year s volume are affiliated with the Faculty of Military Sciences of the Netherlands Defence Academy in Breda The Netherlands
