The Baseball Filmography, 1915 through 2001, 2d ed. Hal Erickson,2016-03-23 Since the first baseball movie *Little Sunset* in 1915 Hollywood has had an on again off again affair with the sport releasing more than 100 films through 2001 This is a filmography of those films Each entry contains full cast and credits a synopsis and a critique of the movie Behind the scenes and background information is included and two sections cover baseball shorts and depictions of the game in non baseball films An extensive bibliography completes the work The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light,2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs **AFI Catalog of Motion Pictures Produced in the United States** American Film Institute,1971 **Reel Baseball** Stephen C. Wood,J. David Pincus,2003-01-16 Not only are movies and baseball two of America s favorite pastimes they are integral parts of our culture Small wonder that the two frequently merge in Hollywood s use of baseball themes jargon and icons This work on baseball in the movies is organized into four sections examining different aspects of the cultural intersection between film and baseball In the first three sections *Baseball in Baseball Films Babe Ruth and the Silver Screen* and *Baseball in Non Baseball Films* essays by scholars in various disciplines cover such topics as symbols the role of family baseball as a facilitator of violence and the American mythos The fourth section consists of interviews with directors such as Ron Shelton and Penny Marshall actors Kevin Costner James Belushi and baseball personnel broadcaster Vin Scully coach Rod Dedeaux who have worked in baseball films Instructors considering this book for use in a course may request an examination copy here **Heritage Auctions Sport Collectibles Auction Catalog #717, Dallas, TX** Chris Ivy,2010-03 **Encyclopedia of American Short Films, 1926-1959** Graham Webb,2020-07-10 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a

cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s *RUNAWAY* - *The Del Shannon Story* Brian C. Young,2023-06-30 *RUNAWAY* is a fascinating account of the life and music of 60s rock star Del Shannon From humble beginnings in the rural Midwest this bar band guitarist rocketed to overnight superstar status when his first big hit clinched the 1 spot on the American Billboard charts resulting in an international hit in over 20 other countries during the year 1961 Del Shannon soon followed up *Runaway* with more hits including *Hats Off To Larry* *So Long* *Baby Hey Little Girl* *The Swiss Maid* *Little Town Flirt* *Two Kinds of Teardrops* *Handy Man* *Do You Wanna Dance* *Keep Searchin* and *Stranger In Town* Shannon was the first American artist to cover a Beatles song in *From Me To You* In the late 60s and early 70s he shifted his focus into production launching the career of country artist Johnny Carver discovering a group called *Smith* that saw a 3 hit with a Shannon Smith arrangement of *Baby It s You* and produced fellow contemporary Brian Hyland s Top 5 hit *Gypsy Woman* Del worked with Jeff Lynne and Dave Edmunds in the 70s with Tom Petty seeking him out to produce Shannon s comeback album in 1981 resulting in a 33 hit *Sea of Love* in America *Urban Shocker* Steve Steinberg,2017-04 2018 SABR Baseball Research Award Winner Baseball in the 1920s is most known for Babe Ruth and the New York Yankees but there was another great Yankee player in that era whose compelling story remains untold *Urban Shocker* was a fiercely competitive and colorful pitcher a spitballer who had many famous battles with Babe Ruth before returning to the Yankees *Shocker* was traded away to the St Louis Browns in 1918 by Yankees manager Miller Huggins a trade Huggins always regretted In 1925 after four straight seasons with at least twenty wins with the hapless Browns *Shocker* became the only player Huggins brought back to the Yankees He finally reached the World Series with the 1926 Yankees In the Yankees storied 1927 season widely viewed to be the best in MLB history *Shocker* pitched with guts and guile finishing with a record of 18 6 even while his fastball and physical skills were deserting him Hardly anyone knew that *Shocker* was suffering from an incurable heart disease that left him able to sleep only while sitting up and which would take his life in less than a year With his physical skills diminishing he continued to win games through craftiness and well placed pitches Delving into *Shocker* s baseball career his love of the game and his battle with heart disease Steve Steinberg shows the dominant and courageous force that he was Purchase the audio edition *This Day in American History, 4th ed.* Ernie Gross,Roland H. The Colonel and Hug Steve Steinberg,Lyle Spatz,2015-05-01 From the team s inception in 1903 the New York Yankees were a floundering group that played as second class citizens to the New York Giants With four winning seasons to date the team was purchased in 1915 by Jacob Ruppert and his partner Cap Til Huston Three years later when Ruppert hired Miller Huggins as manager the unlikely partnership of the two figures began one that set into motion the Yankees run as the dominant baseball franchise of the 1920s and the rest of the twentieth century capturing six American League pennants with Huggins at the helm and four more during Ruppert s lifetime The Yankees success was driven by Ruppert s executive style and enduring financial commitment combined with Huggins s philosophy of continual improvement and personnel development While Ruppert and Huggins had more than a little help from one of baseball s greats Babe Ruth their close relationship has been overlooked in the Yankees rise to dominance Though both were small of stature the two men nonetheless became giants of the game with unassailable mutual trust and loyalty The Colonel and Hug tells the story of how these two men transformed the Yankees It also tells the larger story about baseball primarily in the tumultuous period from 1918 to 1929 with the end of the Deadball Era and the rise of the Lively Ball Era a gambling scandal and the collapse of baseball s governing structure and the significant role the Yankees played in it all While the hitting of Babe Ruth and Lou Gehrig won many games for New York Ruppert and Huggins institutionalized winning for the Yankees

Babe Ruth and the Baseball Curse (Totally True Adventures) David A. Kelly,2010-04-14 Before 1918 the Boston Red Sox were unstoppable They won World Series after World Series thanks in part to their charismatic pitcher slugger Babe Ruth But some people on the Red Sox felt the Babe was more trouble than he was worth and he was traded away to one of the worst teams in baseball the New York Yankees From then on the Yankees became a golden team And the Red Sox For over 80 years they just couldn t win another World Series Then in 2004 along came a scruffy scrappy Red Sox team Could they break Babe Ruth s curse and
