Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the

summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Baseball and Cultural Heritage Gregory Ramshaw, Sean Gammon, 2022-10-11 This is the first volume to explore the understudied side of baseball: how its heritage is understood, interpreted, commodified, and performed for various purposes today, ultimately showing how the performance of baseball heritage can reflect the culture and heritage of a nation.

Babe Susan E. Cayleff, 1996 One of the most gifted athletes in the world Babe Didrikson Zaharias dominated track and field, winning two Olympic gold medals in 1932. She went on to compete in baseball, bowling, basketball, tennis, and particularly in golf. The American public was smitten with her wit, frankness, and unladylike bravado. She became an American legend. The legend was challenged, however, by members of the press and society who insinuated that her femininity, even her femaleness, were suspect. That there was something different, even wrong, about this preternaturally gifted woman in a male-dominated world. She had ably used her androgyny and her powerful athleticism to promote herself, but she soon felt compelled to craft herself into a more marketable female role model, particularly in connection with the proper world of golf. To increase her opportunities for competitive play in this field, she became a co-founder and officer of the Ladies Professional Golf Association (LPGA). As a major step in her makeover, Babe already had married George Zaharias, a wrestling promoter who was a vital partner in her constant efforts at self-promotion. But by 1950, Babe was deeply involved with a young golfer, Betty Dodd, whose love affair for the record is included in Babe. Stricken with cancer in her prime, Babe went on to courageously and publicly fight the disease. Babe is a comprehensive, in-depth biography of a woman who was a great athlete at a time when it was extremely difficult for a woman to be her own person. Through interviews with members of Babe's family, her golf peers, and medical personnel, Cayleff caringly reveals the life and probes the legend of this unusual American hero. She unflinchingly examines the athletic community, the media, and the society that both loved and judged Babe, whose story embodies the struggle of all women who dare to transcend stereotypes and claim their own definitions and unique identities. Babe allows her to be all the hero and all the human being she was meant to be.

The Ultimate New York Yankees Time Machine Book Martin Gitlin, 2022-07-01 This book covers the entirety of franchise history from their birth and struggles as the Highlanders to the bludgeoning bats of Murderer's Row and the first Yankees dynasty to the juggernauts of the 1940s, 1950s, and early 1960s to the anomalous mediocrity that followed to the championships and circus of the Steinbrenner, Jackson, and Billy Martin era to the run of crowns two decades later to the years of frustration and missed opportunity through the second decade of the twenty-first century. However, how to make a book exceptional when championships are routine and scores of a team's player are immortal. Emphasize a variety of players, teams, moments, events, and contributors that made the Yankees unique in the annals of American sport, which this book ably does.

Empowerment: the Competitive Edge in Sports, Business & Life Gene N. Landrum, 2006 In *Empowerment: The Competitive Edge in Sports, Business, Life*, high-profile personality Dr. Gene Landrum

presents in a self help format the 13 winning behaviors modeled by the 13 greatest athletes of the modern era Landrum s research into the lives of the great entrepreneurs and athletes supported by a growing body of evidence suggests that eminence whether in business or sports derives not from genetic superiority but from winning behaviors and learned emotional dispositions With a delightful blend of gifted story telling and intellectual scholarship Dr Landrum has created a book that melds the recent discoveries in psychology and brain research with the dramatic performances of the world s greatest athletes Charismatic athletes such as Michael Jordan Lance Armstrong Martina Navratilova and Tiger Woods are analyzed in psycho biographical profiles that focus on the underlying motivations and behaviors of these preeminent personalities rather than on what they achieved In this respect and in its connection to the recent research in brain function and psychology Dr Landrum s work is unprecedented in the extant literature on athletes and athletic technique Amazon com

Here's the Pitch Roberta J. Newman, 2019-03-01 2020 SABR Baseball Research Award In the mid nineteenth century two industries arrived on the American scene One was strictly a business yet it helped create define and disseminate American culture The other was ostensibly just a game yet it soon became emblematic of what it meant to be American aiding in the creation of a national identity Today whenever the AT T call to the bullpen is heard fans enter Minute Maid Park or vote for favorite All Stars brought to us by MasterCard we are reminded that advertising has become inseparable from the MLB experience Here s the Pitch examines this connection between baseball and advertising as both constructors and reflectors of culture Roberta J Newman considers the simultaneous development of both industries from the birth of the partnership paying particular attention to the ways in which advertising spread the gospel of baseball at the same time professional baseball helped develop a body of consumers ready for the messages of advertising Newman considers the role of product endorsements in the creation of the culture of celebrity and of celebrity baseball players in particular as well as the ways in which new technologies have impacted the intersection of the two industries From Ty Cobb to Babe Ruth in the 1920s and 1930s to Mickey Mantle Yogi Berra and Willie Mays in the postwar years to Derek Jeter Rafael Palmeiro and David Ortiz in the twenty first century Newman looks at many of baseball s celebrated players and shows what qualities made them the perfect pitchers for new products at key moments Here s the Pitch tells the story of the development of American and an increasingly international culture through the marriage between *Mad Men* and *The Boys of Summer* that made for great copy notable TV advertisements and lively social media and shows how baseball s relationship with advertising is stronger than ever
