and amuse the literate reader **Putin's Revenge** Lucian Kim,2024-12-09 In February 2022 Russia invaded Ukraine in a bloody escalation of a conflict that had begun eight years earlier What drove Vladimir Putin to launch Europe s largest land war since World War II Lucian Kim an on the ground reporter in the region for decades offers a gripping definitive account of Russia s path to war from Ukraine s 2004 Orange Revolution and the 2014 Maidan uprising right up to the full scale invasion He examines the Kremlin s motives tracing Putin s transformation from a seemingly pragmatic leader into an embittered tyrant who saw it as his historical mission to reconquer Ukraine Kim places the war in the broader context of the Soviet Union s collapse arguing that it represents a clash between those who reject the Soviet past like Volodymyr Zelensky and Alexei Navalny and those who still identify with it He debunks the Kremlin narrative that the West instigated the conflict and he instead identifies the root causes of the war in the legacy of Russian imperialism and Putin s dictatorial rule At the same time Kim is critical of the West s empty promises to Ukraine which made the country vulnerable to a revanchist Russia **Putin's Revenge** features insight from Kim s first hand reporting on key moments such as Russia s occupation of Crimea and the beginning of the Russian backed insurgency in eastern Ukraine This book tells the story of the lead up to the invasion with revelatory detail and fresh analysis shedding new light on a conflict that has roiled the post Cold War order [Payback for Revenge](#) Alex Markman,2022-05-03 What sacrifice is too big for all consuming love What is revenge worth Are there psychological and moral boundaries beyond which passion does not dare to step Chantal a woman with irresistible charms was a clear minded very successful journalist when at the age of 28 she married a financial tycoon who convinced her to try a different lifestyle Jovan the 42 years old surgeon from Yugoslavia an extraordinary man both in appearance and in substance considered his life a journey to wisdom to discoveries of life s meaning and purpose This journey came to an abrupt end when his daughter a 14 years old beauty was abducted and killed in a small town in Montenegro in 1995 while the civil war in Yugoslavia was still in full swing From this moment on revenge became the purpose of his life the obsession the only justification for his existence At this crossroad by a sheer chance he met Chantal in New York they fell in love with each other Chantal had to make a terrible choice leave her loving husband and life of luxury and go after Jovan and her mission in life journalism or stay in comfort and lose her first genuine love and mission Her hesitation was painful but short Finding killers was a demanding task for Jovan Police closed the case claiming that hostile Croats abducted his daughter Lilia The only witness though who later refused to testify said that he saw how local pimps grabbed the girl on the street and ran away in a car Both versions lacked credibility as the autopsy concluded that the girl was a virgin Soon Chantal discovered something not less horrendous than the war and no less important to report about the East European prostitution ring which used Yugoslavia as a hub for trafficking adolescent girls from Russia Ukraine and Romania to the affluent West European countries and North America Again she witnessed terrifying events when innocent and helpless girls had to go through hell during their short and horrific lives Jovan discovered the secrets of his daughter s death and found the killers The revenge
