Ransel, 2000 Warsaw Spring Heather Kirk, 2001-01-01 Heather Kirk s WARSAW SPRING is designated for young adults This old adult enjoyed it thoroughly and admires Kirk s success particularly in the character of Eva the narrator She is eighteen years old and totally alienated from everyone in her Edmonton world Her mother Magda her step father George even her beloved Polish grandmother Babka all of them are completely outside of Eva s understanding and sympathy Kirk is good at the dialogue that Eva engages in with others and especially good at her own internal dialogue When she runs away to Poland to find her relatives and she hopes her father whom she has never seen she begins a rocky maturing journey that was to me completely convincing The climax for Eva is a dual experience being taken to see the former hell of Auschwitz where unimaginable evil was done to millions and then the wonderfully moving blessing of the Pope s inspirational progress through

his beloved homeland We leave Eva in the process of her maturing often stumbling but already a very different young woman from the former cynical angry self despising rebel She demands and earns our sympathetic involvement One volume is not enough to satisfy this reader her springtime is an engrossing story I look forward to her summer blooming **Spirited Sisters** Ruth Burgess,2014-07-21 **Priests in the Attic** Elaine A. De Sherbinin,1997 Chekhov and Russian Religious Culture is an innovative study of the Virgin Mary and the saintly harlots Mary of Egypt and Mary Magdalene as a cultural paradigm encoded in Chekhov s prose De Sherbinin establishes the authority of the Marian paradigm in nineteenth century Russian culture with a comprehensive overview of salient religious and literary texts then offers critical readings of more than fifteen Chekhov stories including key works such as Peasants Peasant Women and My Life De Sherbinin argues that Chekhov inverts and displaces the Christian meanings of Marian texts in order to reveal a vasy array of problematized relationships to the canonized figures This illuminating semiotic reading of Chekhov explores questions of female identity as it probes the mindset of Russian Orthodox popular culture

Memories of Dziadka: Rural Life in the Kingdom of Poland 1880-1912 and Immigration to America stephen szabados,2014-08-13 This is the story of my grandfather a very ordinary man It covers his childhood in Poland his immigration and his life in America He was a typical Polish immigrant who immigrated to make a better life for himself Compare his life to your ancestors Use his life for clue that may help you understand theirs My hope in writing this book is to share the information about the daily lives of the Polish people living in the rural areas of Poland The book also describes some of the reasons for leaving Poland the trek across Poland and Germany to the ports the voyage across the North Atlantic

arrival in America and their life in their new country I used my grandfather as the central figure in this book but this is not his biography I used details of my grandfather s life but added accounts of other people to tell a complete life story My grandfather was not a person whose accomplishments would be in history books However his life is an example of a typical Polish immigrant I felt that tying the information to one person would make a more interesting story and easier to show the impact of various events had on our ancestor s life      **Best Books for Children, Preschool Through Grade 6** ,2006
