Russian hero supersoldier *AIDA'S STORY* Thomas L. Webber, 2025-04-23 *AIDA S STORY* traces the evolution of a studious young Latina nursing student into an avid nationalist willing to die for Puerto Rican independence. It is set in Spanish Harlem and Puerto Rico during the late 1960s and early 70s. The novel features Aida Garcia, the daughter of a former Puerto Rican nationalist, and Jimmy Beecher, the son of a local white minister. It recounts their courtship, marriage, birth of their daughter, and Aida's growing involvement in the movement to create a free Puerto Rico. What begins as an idyllic love story falls victim to Aida's growing conviction that only violence can shake the conscience of America and win independence for her beloved island. Torn between their commitment to justice and their love for each other, Jimmy and Aida struggle to reconcile *la familia* and *la causa*. On the one hand, a moving love story; it is on the other hand, a vivid personal accounting of the forces that drive one young woman to commit an act of violent political extremism. The novel is told from the point of view of Aida's husband, recounting her story many years later to their granddaughter, who, following the horror of Hurricane Maria, has become obsessed with the continuing colonial status of Puerto Rico.

Wolves of Angels Rest: Books 5-7 Elsa Jade, 2018-07-04 This box set collection includes the second Mating Season trilogy of the *Wolves of Angels Rest*, where sexy wolf shifter heroes find their strong and sassy fated mates.

LOST WOLF The harvest moon is hidden. The black wolf lost everything when the Kingdom Guard werewolf hunters drugged him, tortured him, and tried to turn him into a weapon against his own kind. All that remains is Zane, a man with no memories, no future, and a bloodthirsty monster lurking under his skin. But after a seemingly chance encounter with a curvy black-haired beauty, Zane starts to remember things, glimpses of his past, his favorite book, the taste of desire. Mahalia Booker needed to dig up the past, just a few petroglyphs from an archeological site on Mesa Diablo, to finish her master's in history. She never expected to uncover a secret society of werewolves thousands of years old. She's always stood on the outside, but now she's become a part of the story, a story with a scary, strangely fascinating and sexy hero.

GHOST WOLF The harvest moon is rising. Corrine Ayres was a werewolf with a charmed life. Until her love was taken from her in a place called Mesa Diablo, Javier Roque's wolf never rose, so he left *Angels Rest* to make his own way. Until a deadly threat to his pack brought him home. Can the widowed she-wolf and the tattooed bad boy, missing his wild side, find what they desire? Or will they lose everything before they can claim their fate?

CRY WOLF The killing moon is full. The wolves of *Angels Rest* knew they'd have to face off against the shifter-hating Kingdom Guard some day. And that day has come. Diesel has lived his whole life protecting others, so no way will he let the Guard bastards hurt anyone else. The pack is on lockdown until the battle is over. But then his past finally catches up with him. Country western star Willow Raleigh has been on the road for years, looking for something she lost a long time ago. And she finds more than she ever bargained for: a secret that will change her world, a menace that will change her body, and a love that will change her soul.
