**The Big Influence of Small Things** Brett Blair, Tim Carpenter, 2003 Anyone who has done children's sermons will sooner or later hear from someone that I learn more from the children's sermon than I do from the real sermon And indeed the truths of scripture are so simple that even a child can understand them So it's no accident that children's sermons have become a central part of the worship service in many churches Brett Blair and Tim Carpenter offer a year's worth of object lessons that engage children and impart profound lessons for all ages Two sermons are provided for each Sunday in Cycle A of the Revised Common Lectionary one based on the Second Lesson and one based on the Gospel The messages are structured in two parts the lesson uses an object to draw out active responses from children then the application connects that object to the assigned scripture reading Each message includes a clear statement of its exegetical aim Bright innovative

everyday experience Just how smart is Jesus What did he say that changed his students so drastically What are the essential ingredients of lasting personal change What s it like to co work with God and how can you recognize when it s happening What s so different and so good about the God whom Jesus calls Father You will find lucid answers to all these questions and many more inside You re invited Come explore Jesus philosophy of personal transformation **Super Spiritual Stories of a Great Grandmaster** Dr. Kauf,2008-02-06 Then I looked him in the eyes and said Remember this Tommy There is always something If you can t find it just know there is no such thing as bad luck or accident All is Gods will There is always something Ask God Know always God helps Yes I know the answer to Tommys question I accepted it initially without doubt Gods heavenly spirit flows out into us all with the truth The Mystical experience will lead to the making of a new generation of Great Grandmasters They will be Christ bearers to the world in the future Tommy must carry on It was so ironic that Tommys father had been a top notch policeman Then Tommy had to watch his mother being killed by a policeman What meaning psychic or otherwise could I get from it I guess the answer to that might lie in the fact that God is concerned about making our souls perfect Tommy would need to gain the faith to make his limitations become possibilities and turn his fears into unconditional love Years ago I was training Tommys father in martial arts and he asked me to ride with him from midnight till 8 AM He was the only sheriffs deputy in the county of 500 square miles on the road It was not like today when you dont pull up on a dangerous situation without backup Bar fights domestics robberies and what ever you responded to alone The tactics that Tommys father used would get him fired today We got a call that a boy had a gun and was shooting up a small town that had no police protection Tommys father turned on his flashers and started to respond to the call I could tell by the way he was driving that he was using his intuitive talents All at once he hit the brakes and pulled the car to the side of the road He said You drive I was not a sheriffs deputy and did not have any right to drive that vehicle Tommys father wouldve been fired if the Sheriff found out I drove and he meditated I knew Tommys father was heading for trouble not just by disobeying the rules but also if anything went wrong no one would believe his story Tommys father would never be able to explain that he was using his sixth sense to link with the higher realms of perception and God Almighty He must have read my mind He said to me I have to try to save that boys life I am receiving an energy that is higher in vibration and totally spiritual God Almighty has a reason for that boy to live He picked up my coat that was laying in the back seat and put it on covering his uniform The boy was last seen on Main Street in the downtown area Tommys dad directed me to turn and drive towards the school As I did it came over the radio Someone shot back at the kid from an upstairs window The kid ran towards the school As we got close to the school Tommys father jumped out of the cruiser and ran towards the playground area I followed on foot I know that most people will not believe what Im about to say Before the end of the story youll understand how this happened because Tommy is so much like his dad in reaching into the depths of the unknown The boy pointed the gun at Tommys father Tommys father said Im on your side I come to fight the evil The boy raised the gun pointing it He fired

over Tommy's father's left shoulder Tommy's father was walking towards the kid and did not stop. He said in a loving voice, "You got it." Put the gun down, your son. Tommy's father was staring into the eyes of the kid as he continued to walk towards him. The boy handed the gun to him. Tommy's father placed his hand on the kid's shoulder. I could see the healing energy of Ki or Spirit transfer to the young boy. We walked back to the cruiser and the boy said, crying, "I don't know what happened. All I..."

**A Promise To Stephany** Mariano Robayo, 2023-03-22 Here is a beautiful slow burning story set in Montreal and Bogota where heartbreak and hardship are mirrored in the streets of these two cities. For the class-minded Romero family, it was a tragedy, the mortal social sin committed by their son Mauricio. Orphaned young, Mauricio was the youngest brother in a family of eight siblings and was bound for a successful career in law, imitating his three older brothers. His passion was to become a professional soccer player, which took him to the wrong side of the city and the unwanted kind of acquaintances. In the process, he becomes blind to his own emotional life, allowing his sexual desires to drive his decisions, and he thinks he has outgrown his siblings, who were once his entire world. In this universal drama of family love and rebellion, isolation harbored and drove him to the underground. On a free fall from grace to anonymity, his actions result in a sudden move to Montreal and the decision for reconstructing himself in a foreign country as an immigrant with no direction in life, only with the dream of becoming a writer. The long journey takes the immigrant from emotional depravation and complete loneliness through an honest self-search and a quest for family. The power of having loved and lost ever present in this honest recount of one's life and how it overcame the obstacles of a dangerous detour.

**Raising a Perfect Child in a Blended Family** Margene Avery, 2022-11-29 Family living, a universal theme, comes to life in a small town setting. Journey with Mary and Joseph as they raise six children in a blended family. How does a father teach a son who knows more than him? How does a mother balance the joys of precious relationships with the conflicts of a family torn apart? Can a sword pierce so often and not destroy her? How does Mary, a normal hardworking mom, raise her perfect child in the context of a real-life blended family with all the complexities of imperfect parents and siblings for the purpose of teaching God what it means to be part of a mortal family?
