As I was reading I felt like I appreciated anew all of the beautiful and sacred aspects of love I cried and felt like I had found something inside of myself that I'd lost I know I've found one of those books that becomes a heart friend one that you read once a year every year for the rest of your life Laura Brower Goodreads Reviewer for *The Ocean's Daughter* In arm's reach of *The Snow Child* and *The Light Between Oceans* author Corinne Beenfield brings us a breathtaking tale that reminds us the difference between the ordinary and the extraordinary is often no difference at all Helen Danner never wanted to return to the empty seaside cottage Yet six harrowing months after tragedy struck her family she gets news Operation Pied Piper England's attempt to save the children of the war is sending young refugees to Wales So she packs her bags and finds herself at the last place in the world she hoped to be There facing the ocean she asks it to send her just one child Someone to again love And then a strange little girl shows up in her life Lyric as Helen calls her can swim beyond any adult's ability doesn't feel cold and foreign seashells often seem to be waiting for her And why won't she speak Where is her luggage There are no records of Lyric or a mother and father With the belief that they are dead or undeserving Helen begins to love the girl as her own But as Helen unravels the truth about a world that wants her girl back she must face a question she doesn't know if she is still strong enough to answer Do you choose to love even if you have to let go Readers are Loving *The Ocean's Daughter* This is just one of those books that warms your soul Gorgeously written with beautiful analogies and just a touch of magic It made me cry multiple times as a mom who always wanted her life to be filled with children Put it on your must read list Mallory Pierce I would have given this book more stars if they would have let me This book is a jewel Thank you Stephanie My favorite part of this book is the way the author can construct the love a parent has for a child This type of love is so hard to describe but she does it perfectly I genuinely felt like her book gives words to how my heart and soul feel about my own children Tessa Taylor A beautiful work of art painted with words This book had me laughing one minute and crying the next I absolutely loved it Wendy Wall The author has a unique talent to create a magical fantasy intertwined with real life events I felt like I was there and got to experience a whimsical adventure while being grounded in a believable story Amy Peterson I was sucked into the story and thought about it when I wasn't reading it and wished I were reading it which is about all I can ask for in a book Lola Copeland It was not only riveting but it was completely beautiful It spoke to me as a mother and a woman Corinne has a captivating writing style that connects you with the characters I wept with them more than once while reading this Megan Lloyd I found myself crying both tears of joy and sadness alongside the characters as moments reminded me of my own experiences with my daughter And the romance did not disappoint either Kelly Birch I knew as soon as I started reading that I wouldn't be able to put this book down That was yesterday I was so sucked in The words are so rich alive on the page and so sharp you can feel them I loved this heartwarming and heartbreaking story Amazon Customer *The Ocean's Daughter* is a moving gift for mothers particularly those with foster or adopted children **Dolphins** Sally M. Walker, 2007-01-01 Describes the behavior habitat and life cycle of dolphins **The GI Bill Boys** Stella

Suberman,2012-09-15 In her warm and witty new memoir Stella Suberman charms readers with her personal perspective as she recalls the original 1940s GI Bill As she writes of the bill and the epic events that spawned it she manages in her crisp way to personalize and humanizes them in order to entertain and to educate Although her story is in essence that of two Jewish families it echoes the story of thousands of Americans of that period Her narrative begins with her Southern family and her future husband s Northern one she designates herself and her husband as Depression kids as they struggle through the Great Depression In her characteristically lively style she recounts the major happenings of the era the Bonus March of World War I veterans the attack on Pearl Harbor the Roosevelt New Deal years the rise of Hitler s Nazi party and the Holocaust the second World War and the post war period when veterans returned home to a collapsed and jobless economy She then takes the reader to the moment when the GI Bill appeared the glorious moment as she writes when returning veterans realized they had been given a future As her husband begins work on his Ph D she focuses on the GI men and their wives as college life consumed them It is the time also of Senator Joseph McCarthy and the Red Scare of the creation of an Israeli state of the Korean War and of other important issues and she discusses them forthrightly Throughout this section she writes of how the GI s doggedly studied engaged in critical thinking perhaps for the first time discovered their voices As she suggests it was not the 1930 s anymore and the GI Bill boys were poised to give America an authentic and robust middle class Stella Suberman is the author of two popular and well reviewed titles The Jew Store and When It Was Our War In its starred review Booklist called The Jew Store an absolute pleasure and The Atlanta Journal Constitution wrote that it was valuable history as well as a moving story When It Was Our War received a starred review from Publishers Weekly and in another starred review Kirkus Reviews described it as Engaging A remarkable story that resonates with intelligence and insight Mrs Suberman lives with her husband Jack in Chapel Hill North Carolina Dolphin Dreaming Sharon
