God Sent a Baby: Daily Advent Reflections on Progeny, Promises, and the Plan of Redemption Laura N. Sweet,2021-10-07 God sent a baby It is an often repeated pattern in the Bible early intimations of the birth of God's own Son the final word of God to his people When people called upon God for justice deliverance healing and restoration God sent a baby Many of these babies foreshadowed the life and ministry of Jesus Christ a picture on a human scale of the baby who would come one day to rescue and save us all While these babies grew up to be men who were limited in their power and their righteousness they hint at the holy and all powerful Son of God Babies like Seth Isaac Moses Samuel Solomon and John anticipated the coming of the Savior Jesus Christ They foretold something of his ministry and his kingdom This advent devotional is all about the babies wonderful gifts from the Father And it's all about the birth of the baby who came to deliver us all Jesus our blessed redeemer December 1 through December 25 each daily advent reading is followed by reflection questions and ample room to journal a personal response

The Path to God's Promise Ahuva Batya Scharff,2023-10-13 One of the last things Elinor Simentov wants is to be a prophet of God but God has other plans A Jewish woman of no particular renown Elinor is told by God to give a warning to all who will listen Will she serve as a prophet sacrificing her goals for herself self image and reputation in order to do something that may be completely useless God's message is simple Humankind must radically change course or face extinction To give warning God uses prophecy to urge humans to change Transported through past present and horrific potential futures Elinor is asked to share her visionary experiences and conversations with God to urge us to take action As we are barraged month after month by once in a lifetime storms record setting heat waves shifting polar vortexes horrendous floods and decades long droughts it's hard to continue to ignore the signs and omens The Path to God's Promise combines dire warnings about climate change with the transformative power of prophetic experience It asks whether or not it is too late for us to save ourselves and challenges us to live vastly different lives

The Promised Child Christie Amoyo,2018-08-09 Danrey and Christie Amoyo knew that they wanted to be parents but when their happy announcement turned into the worst possible scenario they found out that

prognoses she wasn't supposed to. Her book is not just a 'How To Be The Patient From Hell' although one could read it for that. It is the story of a woman of faith who believes in a loving God who faces the possibility of her imminent death. As one reader described it: 'This is a fully realized story of faith, the dissolution of faith and the redefinition of faith. As she battles the tumor and as the reader travels the journey with her, she takes God to task. Using biblical reflections, theological and philosophical deliberations, journal writings and sermons she'd written, she's been a Presbyterian pastor for over twenty years, she ponders the nature of God's power, miracles and forgiveness. *Disrupted* will make you laugh and cry. It will compel you to think deeply about the nature of God, the experience of being alive and what it means to forgive.' —Jacob Ruth R. Brand, 2005. The many ups and downs in the life of Jacob are dramatized in compelling stories for elementary students with simplified versions for tiny tots. This volume includes splendid illustrations, maps, photographs of artifacts from ancient times and a comprehensive glossary that brings a forgotten age to life. There is something here for every member of the family.
