Integrated Management of Newborn and Childhood Illness - I Mr. Rohit Manglik, 2024-07-30 Introduces health workers to assessment classification and treatment of common childhood illnesses using WHO's IMNCI strategy **7**

Secrets of the Newborn Robert C. Hamilton, Sally Collings, 2025-09-23 From the pediatrician who became an Internet sensation with the Hamilton Hold in a YouTube video about how to calm a crying baby comes a one of a kind resource to guide you through the earliest moments of your child's life and help you to parent with common sense and confidence Robert

C Hamilton M D has spent more than three decades caring for newborns In his practice Dr Bob has seen it all what works what doesn't How can you get your baby to nurse sleep and maybe even cease crying What strategies can help you connect and communicate with your infant What important decisions will you make during the first year for your child yourself and your partner Here Dr Bob shares his clear sensible warm advice as well as all the latest scientific data and research on how to Offer comfort to a crying newborn using the Hold Gently teach your baby how to sleep and get some sleep yourself Establish healthy patterns Breastfeed formula feed or bottle feed using either Play Manage screen time in your home And more to help you navigate the unforgettable first year of your child's life *Baby Care* , **Love and Toil** Ellen Ross,1993-11-25 The feisty warm hearted mum has long figured as a symbol of the working class in Britain yet working class history has emphasized male organizations such as clubs unions or political parties Investigating a different dimension of social history Love and Toil focuses on motherhood among the London poor in the late Victorian and Edwardian years and on the cultures communities and ties with husbands and children that women created Mothers skills in managing the family budget earning income and caring for their children were critical in protecting households from the worst hardships of industrial capitalism yet poverty or the threat of it molded intimate relationships and left its imprint on personalities This book is also a case study demonstrating the larger argument that the concept of motherhood is more socially and historically constructed than biologically determined Shaky household economics pressure toward respectability the close proximity of neighbors the precariousness of infant and child life and little chance of better lives for their children shaped the work and emotions of motherhood much more than did the biological experiences of pregnancy birth and lactation This beautifully written book embellished with Cockney slang and music hall songs addresses fascinating questions in the fields of women's studies labor history social policy and family history **Journey to Antipodes** Jay C. Bugg,2013-10 Journey to Antipodes tells the story of Dr Judah Eisen a converted rabbi who must teach his flock the truth about the Second Coming with shocking evidence that occurred at the destruction of the temple in AD 70 His protégé Nolan McDonald embodies the fullness of Christ as never witnessed before Nolan must carry the message of his aging mentor to the colonies banished to the outer edges of the wilderness The implications will change not only the lives of Christians living in a post apocalyptic world but will require a faith that will alter the course of church history for future generations **Psychological Approaches to the Management of Pain** Joseph Barber,Cheri Adrian,1982 **Digital adaptation kit for HIV: operational requirements for implementing WHO recommendations in digital systems** World Health Organization,2022-07-29 Digital Adaptation Kits DAKs are part of the WHO SMART guidelines initiative and include data and health content consistent with WHO's HIV recommendations that are generically applicable to digital systems They are software neutral operational and structured documentation based on WHO clinical health system and data use recommendations to systematically and transparently inform the design of digital systems The components include 1 linked health interventions and recommendations 2 personas
