Layne, 2014-02-04 Nearly 20% of all pregnancies in the U.S. end in miscarriage or stillbirth. Yet pregnancy loss is seldom acknowledged and rarely discussed. Opening the topic to a thoughtful and informed discussion, Linda Layne takes a historical look at pregnancy loss in America, reproductive technologies, and the cultural responses surrounding miscarriage. Examining both support groups and the rituals they create to help couples through loss, her analysis offers valuable insight on how material culture contributes to conceptions of personhood. A fascinating examination, *Motherhood Lost* is also a provocative challenge to feminists and other activists to increase awareness and provide necessary support for this often hidden but critically important topic. *Mother Jones Magazine*, 1984-06 *Mother Jones* is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues. Happy Mommy Happy Baby! Elizabeth L. Rojo R.N., 2005-10-21 *Happy Mommy Happy Baby* is a short book about the importance of creating a routine for you and your baby while keeping in mind that there are certain needs that are first and foremost essential to raising a baby and toddler, such as eating, sleeping, and hygiene. Elizabeth forces mothers and fathers to take a look at the fact that a baby coming into their world is doing exactly that: coming into their world. It is up to them to decide what their baby's needs are while still being able to focus on their own needs, each other, and the needs of other children and responsibilities they may have. No matter if you are a stay-at-home mother or a part-time working mother or a full-time working mother, the way in which your baby is cared for and what kind of a routine he or she may need is up to you. No two mothers and fathers have the same lifestyle, but the importance of creating a routine and sticking to it is imperative to create a sense of security for your baby and make things easier for you. *Engage Literacy, Teacher's Resource* Lisa Thorpe, Lauren White, 2011-01-01 This extended teacher resource tool includes detailed teaching notes for each of the 34 Emergent and Early titles from the Red set.
