**A Wandering Mind Tenebrosity To Luminosity** Darren J Lamb, 2017-04-15 This book is about my struggle through life's lessons and trials and about the deep thoughts that go through my mind including spirituality love loss and self doubt It's basically snapshots of my feelings and thoughts Poetry was always a secret hobby for me and English was never a strong point for me in school It was a very big surprise to family and friends when I first started sharing them Because of their great comments they gave me the courage to try and publish my work I've never been much of a reader Time online and in chatrooms improved my spelling and the way I put my feelings across

**My Heart Is an Open Book** Michelle Meece, 2008-10-13 I have compiled 101 poems of the deepest emotions I have felt throughout my life From the pain of depression heartbreak watching someone live with addiction and losing loved ones to the joy of true love and the innocent heart of a child This is my attempt to understand the things that are happening all around me I may not always find the answer or like the outcome of every situation but poetry has been my outlet the key to my sanity If my words let someone see

things in a new light and help them overcome something they thought they couldn't live through then putting my life on display will all be worth it      *Through Windows of Time* Charlotte G. Tucker, 2014-06-10 Growing up with my grandparents Harley and Laura Krigbaum Pa and Ma was more than just an experience It was life altering This book is an effort to keep those memories alive and make them beneficial to others especially my own children and grandchildren Their trials were many and their days were often hard yet they seldom complained about anything If we thought things were not fair or should be different they reminded us to count our blessings and things would look different This book is based on the lives and stories they told us over the years and much time spent with them Pa could trace his family back as far as the Mayflower His Great Grandfather William's great great grandfather Conrad Krigbaum had been an immigrant from Holland in the early 1600s Ma's family had always lived in the south and had not only lived through the civil war but horrible Indian wars as well Her parents had died when she was fifteen Somehow through all the pain she would only show love to everyone The stories have been passed from generation to generation Ma and Pa were both born in 1893 about twenty eight years after the Civil War His family was from the north and hers from the south Both families had suffered unbearably but tried to put it all behind them and move on The past was in the past Much of this book is based on actual events or stories The dates and family members are as accurate as I could find although some names may have been changed or left out More of it is based on only sketches of what I can remember With memory limitations I have added details for a better story
