Baby Brokers The Marketing Of White Babies In America:

The Baby Brokers Lynne McTaggart, 1980-02-01 An investigative journalist uncovers the ways in which attorneys and other entrepreneurs playing upon the desperation of pregnant teenagers and adoptive parents have made the adoption of white infants a lucrative business in America today

The Stork Market Mirah Riben, 2006 An in depth examination of the corruption in the adoption industry the fine line between black and gray market adoption scams coercion and exploitation international adoption foster care Foreword by Evelyn Robinson author MA Dip Ed BSW Myths that prevail in adoption primarily to replicate motherhood are examined Myriad of adoption experts are interviewed and quoted throughout who agree that adoption has changed from being child centered and altruistic social arrangement to one of finding solutions for the medical problem of infertility putting the needs of adults and those who profit from their desperation before the needs of children who need homes The conclusion asks if adoption can be fixed the money aspect removed and government controls and regulations put in place or abolished in favor of permanent guardianship or informal adoption that does not involve the issuance of a falsified birth certificate present in current adoption to fortify myths of replicating creation 284 pages 300 footnotes and indexed
