WEINER,1990      **Variety's Complete Home Video Directory** ,1988      Now Beacon, Now Sea Christopher Sorrentino,2022-09-20 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A wrenching debut memoir of familial grief by a National Book Award finalist and a defining account of what it means to love and lose a difficult parent for readers of Joan Didion and Dani Shapiro When Christopher Sorrentino's mother died in 2017 it marked the end of a journey that had begun eighty years earlier in the South Bronx Victoria's life took her to the heart of New York's vibrant mid century downtown artistic scene to the sedate campus of Stanford and finally back to Brooklyn a journey witnessed by a son who watched helpless as she grew more and more isolated distancing herself from everyone and everything she'd ever loved In examining the mystery of his mother's life from her dysfunctional marriage to his heedless father the writer Gilbert Sorrentino to her ultimate withdrawal from the world Christopher excavates his own memories and family folklore in an effort to discover her dreams understand her disappointments and peel back the ways in which she seemed forever trapped between two identities the Puerto Rican girl identified on her birth certificate as Black and the white woman she had seemingly decided to become Meanwhile Christopher experiences his own transformation emerging from under his father's shadow and his mother's thumb to establish his identity as a writer and individual one who would soon make his own missteps and mistakes Unfolding against the captivating backdrop of a vanished New York a city of cheap bohemian enclaves and a thriving avant garde a dangerous decaying but liberated and potentially liberating place Now Beacon Now Sea is a matchless portrait of the beautiful painful messiness of life and the transformative power of even conflicted grief Acute intimate and exceedingly fair Sorrentino's memoir is a post mortem that examines not the causes of his parents' deaths but the endurance and effects of their confounding marriage This is the story of a son who is trying to dissect and understand the love that remains and sometimes emerges after death We may have a greater cultural appetite for eulogies but an autopsy in looking directly at the cold corpse of a family in all its gruesomeness and mystery can be just as profound and in the hands of a writer as restrained and humane as Sorrentino just as beautiful Eleanor Henderson The New York Times Book Review      A Family of Outlaws Ronnie Goss,2009-11 First you had movies like Outlaw of Josey Wales and Posse and a book called Cole now you have A Family of Out Laws This book is about a black western in which the family refuses to let anyone take their land It has a mixture of Western and Southern cowboys combine From one crooked town's

mayor after another bounty hunters and outlaws the killing just continues to grow Just remember there were some black cowboys who didn't take any shit Their stories just weren't documented until now So saddle up and enjoy the book
