Collection of Poetry Richard Jacks,2013-07-10 The

author is Richard Jacks and he presently resides in Hammond Louisiana Jacks has been writing all of his life but did not understand its purpose That is probably why he did not take it seriously he would write down whatever came to mind Over the years the purpose of Jacks writing became clearer to him and I he understood that it was a talent As Jacks has gone on in life he has worked as a waiter in his younger years He then moved on to working at a bank He gained more experience in the work field and became a steel worker He was also in the union and a union leader Once he retired from there he took his writing very seriously and this book was born Baby Love Sandra Magsamen,2019-04-30 I love you Little ones will love this sweet novelty book from bestselling baby and toddler brand creator Sandra Magsamen Explore the die cut felt heart on the front cover and a peek through mylar mirror on every page that is sure to entertain and delight as your little one can imagine themselves as a bunny an elephant a kitty and a puppy A perfect book for you and your little one to discover the magic of love *Teaching the Faith* Donna Habenicht,Larry Dale Burton,2004 Graphic Showbiz Nanabanyin Dadson,2011-04-07 Gangsters Lewis Yablonsky,1997-02-01 Why young people participate in violent gang behavior The effects of gang violence are witnessed every day on the streets in the news and on the movie screen In all these forums gangs of young adults are associated with drugs and violence Yet what is it that prompts young people to participate in violent behavior And what can be done to extract adolescents from the gangster world of crime death and incarceration once they have become involved In *Gangsters 50 Years of Madness Drugs and Death on the Streets of America* Lewis Yablonsky provides answers to the most baffling and crucial questions regarding gangs Using information gathered from over forty years of experience working with gang members and based on hundreds of personal interviews many conducted in prisons and in gang neighborhoods Yablonsky explores the pathology of the gangsters apparent addiction to incarceration and death *Gangsters* is divided into four parts including a brief history of gangs the characteristics of gangs successful approaches for treating gangsters in prison and the community and concluding with a review and analysis of notable behavioral and social scientific theories of gangs While condemning their violent behavior in no uncertain terms Yablonsky offers hope through his belief that given a chance in an effective treatment program youths trapped in violent behavior can change their lives in positive ways and in turn facilitate positive change in their communities and society at large The Strength To Shine Michelle (Shelly) Robinson,2010-03-25 Real life gumbo testimonies encouragement etc This Book will make you smile sometimes maybe shed a tear and surely say amen Written with the desire to inspire others Using real experiences from life to help people move past the hurt and into their destiny Stories of childhood hurt pain from relationships and Trying to find purpose and live out God given dreams Expressions of strength and encouragement for all who seek it If you ever wanted an author to be real with you this book is for you Charlotte Perkins Gilman Cynthia Davis,2010-03-02 Charlotte Perkins Gilman offers the definitive account of this controversial writer and activist s long and eventful life Charlotte Anna Perkins Stetson Gilman 1860 1935 launched her career as a lecturer author and reformer with the story for which she is best known

today The Yellow Wallpaper She was hailed as the brains of the US women s movement whose focus she sought to broaden from suffrage to economics Her most influential sociological work criticized the competitive individualism of capitalists and Social Darwinists and touted altruistic service as the prerequisite to both social progress and human evolution By 1900 Gilman had become an international celebrity but had already faced a scandal over her divorce and abandonment of her child As the years passed her audience shrunk and grew more hostile and she increasingly positioned herself in opposition to the society that in an earlier more idealistic period she had seen as the better part of the self In her final years she unflinchingly faced breast cancer her second husband s sudden death and finally her own carefully planned suicide she preferred chloroform to cancer and cared little for a single life when its usefulness was over Charlotte Perkins Gilman presents new insights into the life of a remarkable woman whose public solutions often belied her private anxieties It aims to recapture the drama and complexity of Gilman s life while presenting a comprehensive scholarly portrait
