Glenview Prohibition: Bootleggers & Boondoggles Jill Ruschli Crane ,2022-09 Prohibition Glenview made many people rich some angry some sad and some dead Today Glenview is one of the safest places to live in Illinois but during Prohibition speakeasies saloons and ice cream parlors hijacked the small farming town Good men and women trying make a few bucks opened scores of taprooms and lounges along Waukegan Road Beloved institutions like Hackney s restaurants Meier s Tavern and Grandpa s Place were originally supplied by a bootlegging operation that was both local and friendly

Then the Chicago Outfit moved in Author Jill Crane traces the path the resilient citizens of Glenview took in carving a thriving community out of the tumult of Prohibition **Celluloid Saviours** Emily Caston,2020-05-22 In *Celluloid Saviours* the author analyses a corpus of US films dating from the silent era that she calls film blanc In these fantasy films a guardian spirit with extraordinary powers suspends the ordinary known laws of time and space and a main character reforms himself or herself in life changing ways The author argues that the historical pattern of film blanc relates to the rise and fall of liberal and reform thought in US politics specifically to conceptions of human nature as a tabula rasa This conception is evident both in the early feature films featuring angels such as Chaplin's *The Kid* and much later examples such as the 1980s box office hit *Trading Places* She argues that this narrative tradition runs from Hollywood's beginnings to the present day and is foreshadowed in the English ghost stories of Charles Dickens The classic era of film blanc is epitomised in the enduringly popular film *It's a Wonderful Life* More recent examples of narrative form analysed by Caston include *The Truman Show* and *Eternal Sunshine of the Spotless Mind*
