Babylon Capital For The Antichrist:

Babylon - Morris Cerullo World Evangelism, 2002-01-01 **Jesus Revealed in the End Times** Dr. Robert Jeffress, 2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God's people end up fearful about what is to come rather than hopeful about Who is to come But the Bible's prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In *Jesus Revealed in the End Times* bestselling author Dr Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You'll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you'll not only have a greater understanding of God's plan for the future but also have a greater sense of calm and courage in the face of what is to come because you've come to know the One who controls the future

The End of Money Mark Hitchcock, 2013-08-01 Are we headed toward a global economic collapse Financial markets are violently unstable worldwide and the key benchmarks of financial health are rapidly getting worse Christians know the Bible predicts a coming day when one person will take control of the entire global economy But how will that happen We may now have the answers In fact the biblical and technological evidence tells us that a cashless society and one world economy are not only possible but inevitable Bestselling author Mark Hitchcock skillfully brings together current research and Bible prophecy to address these important questions How is the stage being set for economic collapse and a cashless society What technology will make this cashless world possible How will the Antichrist control the world economy What will happen to the people who face all this tumult and chaos An eye opening survey of the ways that future events can impact our lives even today

Armageddon, Oil, and Terror John F. Walvoord, Mark Hitchcock, 2007-09-28 Updating the work of renowned biblical scholar John F Walvoord who famously predicted current world events *Armageddon Oil and Terror* offers shocking predictions on the future of terrorism oil based economics and nuclear war in the Middle East In all *Armageddon Oil and Terror* sheds light on 12 events related to end time prophecies that seem eerily close to coming true Includes materials from lectures and discussions after 9 11 and incorporates vital updated material from other Walvoord classics It is as current as today's news and every prediction rings true

The Omega David Henderson, 2023-05-15 This book was written foremost because I love studying prophecies of the Bible Bible prophecy feels to me like putting a large puzzle together This book is a study of the book of Revelation but it is more than that There are over three hundred verses in the Old Testament about Christ's first coming and over five hundred verses about his second coming There are also many verses in the New Testament about Christ's second coming outside of the book of Revelation Understanding what will happen in the end times means studying all of the passages about future events Along with taking a look at the verses about the end times throughout the Bible I will also discuss various ways people interpret future prophecies This book is titled *The Omega*

because it takes a look at what the end looks like as described by the God who will end it all **The Evidence for the Papacy** Colin Lindsay,1870 *Wrath and Glory* David Reagan,2001 Plainly explains the various end times positions Pre Trib Mid Trib Post Trib Preterist Historicist Examines the most frequently asked questions about Revelation Presents a fascinating look at the fate of the United States in Bible prophecy Clearly explains the relevance of the Revelation message to all people There are commentaries on the Book of Revelation but none like this one designed for the layman In his down to earth readable style prophecy teacher David Reagan strips away the mystery and intellectual jargon from this book that has so puzzled Christians for generations Giving a sensible overview of the book then giving brief summaries of the different schools of thought Reagan lets the book speak for itself emphasizing the spiritual riches waiting for the discerning reader In fitting with Reagan s style *Wrath and Glory* is meant as much for mainline denominations as for evangelicals **The Protestant confederate and mirror of truth , Looking into the Revelation** Dr. Boyd O. Gray,2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ *A Dissertation on the Prophecies Relative to Antichrist and the Last Times* Ethan Smith,1811 *Global Warning* Tim F. LaHaye,Edward E. Hindson,2007 Combines ancient Bible prophecies with current events to reveal the signs that serve as a global warning that predicts the end of the world **Fair Warning of the Coming Age** Andrew Louf,2016-07-23 A writing to the generation about to enter a time of great tribulation knowing that the promise of Christ Jesus is the only escape *Wrath and Glory, 3rd Edition* David Reagan,2021-05-14 Many Christians are very intimidated by the book of Revelation They are convinced that it contains nothing but bad news They are even further daunted by the great variety of bizarre interpretations of the book In this book Dr David Reagan explains that Revelation contains only good news for those who have received Jesus as their Lord and Savior Dr Reagan proves that any Christian can understand the book of Revelation if they are willing to accept its plain sense meaning As the Lord begins to open your understanding you will be thrilled by the promises of God that it contains for believers You will find yourself earnestly yearning for the Lord s soon return as never before This book is written for all denominations and ages It dispels

the myths about Revelation showing that the messages of Revelation are desperately needed by the 21st Century Church which is apostasized from within and persecuted from without
