the Bible this outstanding resource will help strengthen your grasp on God's Word. By comparing the precise NASB with the magnified sentence structure of the Amplified Bible, readers are better able to appreciate the meaning of the scriptures as understood by their audience in the original languages. Known for its word-for-word literal accuracy, the New American Standard Bible updated edition is the 1 choice for in-depth inductive Bible study. And through its unique use of synonyms and definitions, the Amplified Bible both explains and expands the meaning of words in the text by placing amplification in parentheses and brackets after key words or phrases. Through multiple expressions, greater emphasis is given to the divine message as reflected in the original Greek and Hebrew. Now readers can benefit from both translation approaches with this side-by-side comparison that offers a more enriching experience with God's Word.

NASB 12: For now we see in a mirror dimly, but then face to face; now I know in part, but then I will know fully, just as I also have been fully known. 13 But now faith, hope, love abide; these three. But the greatest of these is love.

AMPLIFIED BIBLE 12: For now we are looking in a mirror that gives only a dim, blurred reflection of reality, in a riddle or enigma; but then, when perfection comes, we shall see in reality and face to face. Now I know in part imperfectly, but then I shall know and understand fully and clearly, even in the same manner as I have been fully and clearly known and understood by God. 13 And so faith, hope, love abide; faith, conviction, and belief respecting man's relation to God and divine things; hope, joyful and confident expectation of eternal salvation; love, true affection for God and man, growing out of God's love for and in us; these three, but the greatest of these is love.

A View of the Rise and Fall of the Kingdoms of Judah and Israel William Stevens, 1833 *A view of the rise and fall of the kingdoms of Judah and Israel* William Stevens (biographer.), 1833 *A view of the rise and fall of the kingdoms of Judah and Israel, intended for the use of young persons (after the manner of Goldsmith).* William STEVENS (Editor of the Life and Letters of John Bradford.), 1833 *Rise of the Assyrian* Russell Redden, 2012-04-14 This book is a comprehensive analysis of Biblical prophecy in light of Scriptures ignored by many teachers of Eschatology today. Isaiah, Jeremiah, Ezekiel, and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon, modern-day Iraq. This book presents Biblical evidence that the Antichrist will rise from this land and temporarily establish a new Islamic empire in the Middle East. This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea, the West Bank, according to Bible prophecy. Learn how the predicted outcome of the Israeli-Palestinian dispute of the holy land perfectly reflects unique events of modern history, including the rise of radical Islam.

Third edition *Phoenix Rising* Donald G. Lett, Donald G. Lett Jr., 2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce, questions are being pondered. Inquires like: How can a modern society scale back its dependence on gasoline as a motive source? Are there genuine alternative power sources? Are they the answer to a growing crisis? Recent announcements of hybrids like those from Honda, Toyota, and Ford have really brought attention to this issue. Hybrids that use both gasoline engines and electric motors. Really, though, alternative power

sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place

A New English Translation of the Septuagint Albert Pietersma, Benjamin G. Wright, 2007-11-02 Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint's influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap
