**Baby Brother's Blues** Pearl Cleage, 2007-02-27 When Regina Burns married Blue Hamilton she knew he was no ordinary man. A charismatic R & B singer who gave up his career to assume responsibility for the safety of Atlanta's West End community, Blue had created an African American urban oasis where crime and violence were virtually nonexistent. In the beginning, Regina enjoyed a circle of engaging friends and her own work as a freelance communications consultant. Most of all, she relished the company of her husband, who never ceased to be a source of passion and delight. Then everything changed. More and more frightened women were showing up in West End seeking Blue's protection from lovers who had suddenly become violent. When the worst offenders began to disappear without a trace, the signs all of them grimly seem to point toward Blue and his longtime associate, Joseph General Richardson. Now that Regina is pregnant, her fear for Blue's safety has become an obsession that threatens the very heart of their relationship. At the same time, Regina's friend Aretha Hargrove is desperately trying to redefine her own marriage. Aretha's husband, Kwame, is lobbying for them to leave West End and move to midtown. Aretha resists at first but finally agrees in an effort to rekindle the flame that first brought them together. Regina and Aretha have no way of knowing that what they regard as their private struggles will soon become very public. When Baby Brother, a charming con man, insinuates himself into the community, it becomes clear that there is more to his handsome facade than meets the eye. He carries the seeds of change that will affect both women in profound and startling ways. Returning to the vividly rendered Atlanta district of her last two novels, New York Times bestselling author Pearl Cleage brilliantly weaves the threads of her characters' intersecting lives into a story of family, friendship, and of course, love. *Baby Brother's Blues* is full of wit and warmth, illumination, the core of every woman's hopes and dreams. *Ebony*, 2005-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine.

**We Speak Your Names** Pearl Cleage, 2009-03-25 For centuries, African American women have been remaking the world, giving testament to the power of hope, courage, and resilience. But it took the inspired generosity of Oprah Winfrey to honor fully the many gifts of sisterhood. For three amazing days from May 13 to 15, 2005, a distinguished group of women was invited to celebrate the enduring achievements of twenty-five of their mentors and role models, and in the process, pay tribute to the long, glorious tradition of African American accomplishment. The brilliant centerpiece of the weekend was the reading aloud of Pearl Cleage's poem *We Speak Your Names*, written especially for the occasion and appearing here for the first time in this beautiful keepsake book. As deeply moving in print as it was during that weekend of love and praise, the poem names each of the women honored: Dr. Maya Angelou, Coretta Scott King, Diahann Carroll, Toni Morrison, Nikki Giovanni, Rosa Parks, Katherine Dunham, and other legends of the brightest magnitude. With

heartfelt eloquence Pearl Cleage herself a luminary of the younger generation celebrates her distinguished elders strength their magic their sensuality their loving kindness their faith in themselves and the priceless example of their lives In her introduction the poet shares My sisters here there and everywhere this poem is for you Use it adapt it pass it on Destined to become a classic We Speak Your Names is a treasure to keep forever and a precious inspiring gift for the ones you love
