

The background image is a dramatic, apocalyptic scene. On the left, a large, intense fire consumes a structure, with thick black smoke billowing upwards. In the foreground, a body of water reflects the fiery scene. In the background, the silhouettes of city buildings are visible against a dark, smoky sky. The overall color palette is dominated by dark reds, oranges, and blacks, creating a sense of destruction and divine judgment.

"Babylon the Great Has Fallen!" ,1963 *Questions on the Book "Babylon the Great Has Fallen!" God's Kingdom Rules* ,1964 Jehovah's Witnesses Edmond C. Gruss,2001 Shutting the Door to the Kingdom of God Eric Michael Wilson,2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah s Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah s Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah s Witness who is a seeker of truth and unafraid to put his or her beliefs to the test **Falling in Truth: The Education of a Jehovah's Witness** Steve McRoberts, *The Orwellian World of Jehovah's Witnesses* Heather Denise Harden Botting,Gary Botting,1984-01-01 Discusses the history and religious doctrines of the Jehovah s Witnesses and examines the parallels between the religion and George Orwell s novel 1984 Apostles of Denial Edmond C. Gruss,1970 Scripture based denial of the doctrines of the Jehovah s Witnesses **Index of Watchtower Errors 1879 to 1989** David A. Reed,1990-06-01 Teachings of the Jehovah s Witnesses and how they differ from historic Christianity are documented in this study of Watchtower publications from 1879 to 1989 Helpful for having profitable discussions with Jehovah s Witnesses **Jehovah's Witnesses and the Third Reich** M. James Penton,2004-01-01 Using materials from Witness archives the U S State Department Nazi files and other sources M James Penton demonstrates that while many ordinary German Witnesses were brave in their opposition to Nazism their leaders were quite prepared to support the Hitler government from publisher description **Dictionary of J. W. Ese** David Reed,2010-01-03 Jehovah s Witnesses have a unique vocabulary incomprehensible to outsiders They also use familiar Christian terms to mean something different from standard usage This book is a dictionary of such J W ese language Moreover it explains how JWs engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult Reed is the author of Answering Jehovah s Witnesses Subject by Subject and the popular book Jehovah s Witnesses Answered Verse by Verse This Dictionary of J W ese was originally published in 1997 under the title Jehovah Talk by Baker Book House This volume is the 2010 Lulu edition

Expecting Armageddon Jon R. Stone,2013-09-05 The expectation of an end to time and the yearning for a millennial

paradise have been recurring themes in Western religious thought But when we speak of expectation of the world s end we are mindful of the fact that generation after generation of millenarians have been disappointed Their endtime hopes and prophecies have not come true What happens one might ask when prophecies fail Does failure spell the end of the very movements that embrace such expectations The aim of this anthology is to gather together in one volume the essential research from the fields of sociology and psychology that seeks to answer this intriguing question as first raised by Festinger in his 1956 work *When Prophecy Fails* Cross cultural and comparative this collection chronicles forty years of research into failed prophecy and response to the attending cognitive dissonance it produces that is at once timely and informative

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book New Testament Teaching Vs. the Jehovah's Witnesses' Teachings Rev. Switzer D. Holly M.Div. Fast Facts on Jehovah's Witnesses John Ankerberg, John Weldon, 2012-01-10 From blood transfusions to salvation by works John Ankerberg and John Weldon expose the unorthodox doctrines that put Jehovah s Witnesses at risk physically and spiritually With its easy to follow question and answer format this book allows readers to quickly discover Who founded Jehovah s Witnesses and why why medical care essential to life is refused why few Jehovah s Witnesses look forward to eternal life in God s presence how many Jehovah s Witnesses prophecies have failed and why how Jehovah s Witnesses view and interpret God s Word Whether looking for specific teachings or an overall understanding of Jehovah s Witness beliefs and practices readers will find this guide delivers the information in a concise practical manner **Apocalypse Delayed** M. James Penton, 1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography

Transnational Crime in the Americas Tom J. Farer, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **The Culture of God's Kingdom** Nick Wilson, 2013-01-28 The teaching of Jesus in the Sermon on the Mount serves as a manifesto for Kingdom life and the Beatitudes portray for us a Kingdom culture that is contrary to that of the world These studies reveal to us an invasion of this world with a culture that defines a heavenly kingdom The Kingdom of God is not a simply a far off dream held by Christians The Kingdom was established by Jesus Christ and the culture of the Kingdom invades the world through the lives of Gods people
