Noah's Park Children's Church Leader's Guide, Red Edition, 2007 The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session

Hide, Wood, and Willow Deanna Tidwell Broughton, 2019-06-13 For centuries indigenous communities of North America have used carriers to keep their babies safe Among the Indians of the Great Plains rigid cradles are both practical and symbolic and many of these cradleboards combining basketry and beadwork represent some of the finest examples of North American Indian craftsmanship and decorative art This lavishly illustrated volume is the first full length reference book to describe baby carriers of the Lakota Cheyenne Arapaho and many other Great Plains cultures Author Deanna Tidwell Broughton a member of the Oklahoma Cherokee Nation and a sculptor of miniature cradles draws from a wealth of primary sources including oral histories and interviews with Native artists to explore the forms functions and symbolism of Great Plains cradleboards As Broughton explains the cradle was vital to a Native infant's first months of life providing warmth security and portability as well as a platform for viewing and interacting with the outside world for the first time Cradles and cradleboards were not only practical but also symbolic of infancy and each tribe incorporated special colors materials and ornaments into their designs to imbue their baby carriers with sacred meaning Hide Wood and Willow reveals the wide variety of cradles used by thirty two Plains tribes including communities often ignored or overlooked such as the Wichita Lipan Apache Tonkawa and Plains Mitis Each chapter offers information about the tribe's background preferred types of cradles birth customs and methods for distinguishing the sex of the baby through cradle ornamentation Despite decades of political and social upheaval among Plains tribes the significance of the cradle endures Today a baby can still be found wrapped up and wide eyed supported by a baby board With its blend of stunning full color images and detailed information this book is a fitting tribute to an important and ongoing tradition among indigenous cultures

Children's Literature Barbara Stoodt, 1996 The Red Thread Jacob A. Zumoff, 2021-07-16 This book tells the story of 15 000 wool workers who went on strike for more than a year defying police violence and hunger The strikers were mainly immigrants and half were women The Passaic textile strike the first time that the Communist Party led a mass workers struggle in the United States captured the nation's imagination and came to symbolize the struggle of workers throughout the country when the labor movement as a whole was in decline during the conservative pro business 1920s Although the strike was defeated many of the methods and tactics of the Passaic strike presaged the struggles for industrial unions a decade later in the Great Depression
