Day,2022-08-18 Mocked vilified blamed and significantly misunderstood the Baby Boomers are members of the generation of post WWII babies who came of age in the 1960s Parents of the 1940s and 1950s raised their Boomer children to be respectable church attendees and yet in some ways demonstrated an ambivalence that permitted their children to spurn religion and eventually to raise their own children to be the least religious generation ever The Baby Boomers studied here

living in the UK and Canada were the last generation to have been routinely baptised and taken regularly to mainstream Anglican churches So what went wrong or perhaps right This study based on in depth interviews and compared to other studies and data is the first to offer a sociological account of the sudden transition from religious parents to non religious children and grandchildren focusing exclusively on this generation of ex Anglican Boomers Now in their 60s and 70s the Boomers featured here make sense of their lives and the world they helped create They discuss how they continue to dis believe in God yet have an easy relationship with ghosts and how they did not as theologians often claim fall into an immoral self centred abyss They forged different practices and sites whether in this world or elsewhere of meaning morality community and transcendence They also reveal here the values practices and beliefs they transmitted to the future generations helping shape the non religious identities of Generation X Millennials and Generation Z *Standing in the Gap* Louise Graves,2019-02-06 Every Christian that has given their heart to God begins a journey with Him The excitement of our first steps with the Lord propels us forward After a time we hit some rough roads and seem to get stuck in the ruts of life We begin to question our faith our belief in Christianity in general We try we work we hope we do everything we can think of and still we are stuck and then we pray as if this is our last resort God never promised that we would not face problems just that He would always be with us Challenge If you really believe that what you believe is really true you could change the world This book was written to help believers to pray first before all else We have been given the authority and the privilege to speak to our God through the gate that Jesus opened for us The Word tells to come to the throne of grace confidently where we will receive mercy and grace in our time of need So how do we do this God hears our cry for help the Bible says to ask Then we are instructed to seek Seeking is finding God s will His truth in His Word we seek His Word in the Bible This Word is a promise from God and we stand on that truth Finally He instructs us to knock Knocking is simply speaking God s promises back to Him When we have done this we stand we trust and wait for God s perfect timing and His perfect plan This book will help you find some of those precious promises in the Bible Let s see what God can do Our part is to believe He can
