My Mother Wears Combat Boots Jessica Mills,2007 Punk politics and parenting a guide for moms and dads who want it all *My Life Is Art* Emmanuel Jal,2023-12-05 Drawing on lessons from his remarkable life former child soldier turned activist author entrepreneur and international recording artist Emmanuel Jal provides his eleven pillars for overcoming adversity and living a life of purpose Who owns your mind Beginning with this provocative question Emmanuel Jal invites readers to claim ownership over the narratives that define their lives in order to become a force for good in the world As a child growing up in South Sudan Jal witnessed atrocities perpetrated against his family and community These actions drove him to become a child soldier in a vicious civil war Hunger isolation and the ever present specter of death in battle attended his every moment Yet his greatest challenge did not come from outside it arose from within from the corrosive nature of hopelessness trauma and narratives of victimization Rather than succumb to these forces of negativity Jal turned his life s challenges into opportunities by utilizing a comprehensive framework he developed around eleven pillars of support These pillars can be utilized individually or as a unit to help build a durable internal structure that allows anyone to overcome adversity regain joy and gratitude and live a life of purpose that enriches the greater community *Away from My Mother's Watchful Eye* Jesse A. Mayfield,2009-12-16 This is a coming of age story that chronicles my early years growing up in inner city Brooklyn New York amidst the turbulent racially and socially explosive 1960s The Civil Rights Movement was in full swing and while many older Negroes supported Dr Martin Luther King Jr and his calls for peaceful protests many young Negroes gravitated to a more militant and confrontational approach to winning freedom and equal treatment under the law for all Negroes Young people were constantly being called upon to be down with the revolution and encouraged to hate Whitey and to fear the Police in particular who were looked upon as an occupying force within the Negro community All of this was swirling around me as I struggled to just be a kid I certainly didn t hate anyone and my being bussed to a White school only served to complicate things as I found myself eventually feeling trapped in my own community and walking a tightrope between two diverse cultures Surprisingly I found peace friendship and acceptance in the most unlikely of places My years in Sheepshead Bay Brooklyn were both character building and life changing and laid the foundation for my becoming the man that I am today This story is told through the eyes of a precocious and intelligent little boy and it s told with humor and love It is my hope that while you re reading this book you will get a strong sense of the love I had for my family my community and the new world of friendships that embraced me Being away from my mother s watchful eye offered me a newfound freedom but it also demanded that I grow up quickly keep my wits about me and utilize everything I d ever learned The Publishers' Trade List Annual ,1881 **The Book of Kane and Margaret** Kiik
