## **Bacchus And Civic Order The Culture Of Drink In Early Modern Germany:**

**Bacchus and Civic Order** B. Ann Thursty, 2001 German taverns where there was lots of beer drinking and brawling have a long history we learn in Thursty's account of the social and cultural functions of tavern life in Augsburg in the 16th-18th centuries Though the language of a social theorist occasionally intrudes a deadly duel is emasculated by its definition in terms of conformance to social norms and ritualized forms of violence Thursty's depth of knowledge about the Augsburg taverns makes this a fascinating read on early modern life The author teaches history at Bucknell U in Maine c Book News Inc Public Drinking in the Early Modern World Vol 2 Thomas E Brennan, B Ann Thursty, Beat Kumin, David Hancock, Michelle McDonald, 2024-08-01 This four volume reset edition presents a wide ranging collection of primary sources which uncover the language and behaviour of local and state authorities of peasants and town dwellers and of drinking companions and irate wives Public Drinking in the Early Modern World Vol 3 Thomas E Brennan, B Ann Thursty, Beat Kumin, David Hancock, Michelle McDonald, 2024-08-01 This four volume reset edition presents a wide ranging collection of primary sources which uncover the language and behaviour of local and state authorities of peasants and town dwellers and of drinking companions and irate wives The Ashgate Research Companion to Popular Culture in Early Modern England Andrew Hadfield, Matthew Dimmock, Abigail Shinn, 2016-03-23 The Ashgate Research Companion to Popular Culture in Early Modern England is a comprehensive interdisciplinary examination of current research on popular culture in the early modern era For the first time a detailed yet wide ranging consideration of the breadth and scope of early modern popular culture in England is collected in one volume highlighting the interplay of low and high modes of cultural production while also questioning the validity of such terminology The authors examine how popular culture impacted upon people's everyday lives during the period helping to define how individuals and groups experienced the world Issues as disparate as popular reading cultures games food and drink time textiles religious belief and superstition and the function of festivals and rituals are discussed This research companion will be an essential resource for scholars and students of early modern history and culture **Governing Masculinities in the Early Modern Period** Jacqueline Van Gent, 2016-04-22 Documenting lived experiences of men in charge of others this collection creates a social and cultural history of early modern governing masculinities It examines the tensions between normative discourses and lived experiences and their manifestations in a range of different sources and explores the insecurities anxieties and instability of masculine governance and the ways in which these were expressed or controlled in emotional states language or performance Focussing on moments of exercising power the collection seeks to understand the methods strategies discourses or resources that men were able or not to employ in order to have this power In order to elucidate the mechanisms of male governance the essays explore the following questions how was male governance demonstrated and enacted through men's and women's bodies What roles did women play in sustaining supporting or undermining governing masculinities And what are the relationships of specific spaces such

as household or urban environments to notions and practice of governance Finally the collection emphasises the power of sources to articulate the ideas of governance held by particular social groups and to obscure those of others Through a rich and wide range of case studies the collection explores what distinctions can be seen in ideas of authoritative masculine behaviour across Protestant and Catholic cultures British and Continental models from the late medieval to the end of the eighteenth century and between urban and national expressions of authority

**Public Drinking in the Early Modern World Vol 1** Thomas E Brennan,B Ann Tlusty,Beat Kumin,David Hancock,Michelle McDonald,2024-08-01 This four volume reset edition presents a wide ranging collection of primary sources which uncover the language and behaviour of local and state authorities of peasants and town dwellers and of drinking companions and irate wives

Cultural History of Early Modern European Streets Riitta Laitinen,Thomas Cohen,2009-02-16 In urban life streets are elemental but urban history seldom places them centre stage It tends to view them as mere backdrops for events or social relations or to study them as material constructions the fruit of urban planning but largely vacant of inhabitants Examining people and streets in tandem the contributors to this volume strive towards more integrated urban history They discuss the social and political processes of early modern street life and the discursive play in which streets figured Six chapters based in Sweden Finland England Portugal Italy and Transylvania discuss the subtle interplay of the material and immaterial public and private planned order and versatility spontaneous invention control and resistance all matters central to how streets worked Contributors are Emese B lint Maria Helena Barreiros Elizabeth S Cohen Thomas V Cohen Alexander Cowan Anu Korhonen Riitta Laitinen and Dag Lindstr m

Masculinity and the Metropolis of Vice, 1550-1650 A. Bailey,R. Hentschell,2010-03-29 Leading authors in the field of early modern studies explore a range of bad behaviours like binge drinking dicing and procuring prostitutes at barbershops in order to challenge the notion that early modern London was a corrupt city that ruined innocent young men

Indecent Bodies in Early Modern Visual Culture Fabian Jonietz,Mandy Richter,Alison Stewart,2025-10-01 The life like depiction of the body became a central interest and defining characteristic of the European Early Modern period that

coincided with the establishment of which images of the body were to be considered decent and representable and which disapproved censored or prohibited Simultaneously artists and the public became increasingly interested in the depiction of specific body parts or excretions This book explores the concept of indecency and its relation to the human body across drawings prints paintings sculptures and texts The ten essays investigate questions raised by such objects about practices and social norms regarding the body and they look at the particular function of those artworks within this discourse The heterogeneous media genres and historical contexts north and south of the Alps studied by the authors demonstrate how the alleged indecency clashed with artistic intentions and challenges traditional paradigms of the historiography of Early Modern visual culture A Pleasing Sinne Adam Smyth,2004 Studies of the representation and understanding of drink and

conviviality in diverse social contexts **Laughing Histories** Joy Wiltenburg,2022-06-07 Laughing Histories breaks new ground by exploring moments of laughter in early modern Europe showing how laughter was inflected by gender and social power I dearly love a laugh declared Jane Austen s heroine Elizabeth Bennet and her wit won the heart of the aristocratic Mr Darcy Yet the widely read Earl of Chesterfield asserted that only the mob would laugh out loud the gentleman should merely smile This literary contrast raises important historical questions how did social rules constrain laughter Did the highest elites really laugh less than others How did laughter play out in relations between the sexes Through fascinating case studies of individuals such as the Renaissance artist Benvenuto Cellini the French aristocrat Madame de S vign and the rising civil servant and diarist Samuel Pepys Laughing Histories reveals the multiple meanings of laughter from the court to the tavern and street in a complex history that paved the way for modern laughter With its study of laughter in relation to power aggression gender sex class and social bonding Laughing Histories is perfect for readers interested in the history of emotions cultural history gender history and literature **Alehouses and Good Fellowship in Early Modern England** Mark

Hailwood,2014 This book provides a history of the alehouse between the years 1550 and 1700 the period during which it first assumed its long celebrated role as the key site for public recreation in the villages and market towns of England In the face of considerable animosity from Church and State the patrons of alehouses who were drawn from a wide cross section of village society fought for and won a central place in their communities for an institution that they cherished as a vital facilitator of what they termed good fellowship For them sharing a drink in the alehouse was fundamental to the formation of social bonds to the expression of their identity and to the definition of communities allegiances and friendships Bringing together social and cultural history approaches this book draws on a wide range of source material from legal records and diary evidence to printed drinking songs to investigate battles over alehouse licensing and the regulation of drinking the political views and allegiances that ordinary men and women expressed from the alebench the meanings and values that drinking rituals and practices held for contemporaries and the social networks and collective identities expressed through the choice of drinking companions Focusing on an institution and a social practice at the heart of everyday life in early

modern England this book allows us to see some of the ways in which ordinary men and women responded to historical processes such as religious change and state formation and just as importantly reveals how they shaped their own communities and collective identities It will be essential reading for anyone interested in the social cultural and political worlds of the ordinary men and women of seventeenth century England MARK HAILWOOD is Lecturer in Early Modern British History at St Hilda's College University of Oxford

A History of Murder Pieter Spierenburg, 2013-04-18 This book offers a fascinating and insightful overview of seven centuries of murder in Europe It tells the story of the changing face of violence and documents the long term decline in the incidence of homicide From medieval vendettas to stylised duels from the crime passionel of the modern period right up to recent public anxieties about serial killings and underworld assassinations the book offers a richly illustrated account of murder's metamorphoses In this original and compelling contribution Spierenburg sheds new light on several important themes He looks for example at the transformation of homicide from a private matter followed by revenge or reconciliation into a public crime always subject to state intervention Combining statistical data with a cultural approach he demonstrates the crucial role gender played in the spiritualisation of male honour and the subsequent reduction of male on male aggression as well as offering a comparative view of how different social classes practised and reacted to violence This authoritative study will be of great value to students and scholars of the history of crime and violence criminology and the sociology of violence At a time when murder rates are rising and public fears about violent crime are escalating this book will also interest the general reader intrigued by how our relationship with murder reached this point

**La pathologie du pouvoir: vices, crimes et délits des gouvernants** Patrick Gilli, 2016-02-02 La singularité de la criminalité des gouvernants ou de leurs actes peccamineux reside dans la rareté des condamnations qu'ils ont subies En examinant sur la longue durée les formes de dénonciation de ces délits des hommes de pouvoir le livre essaie de comprendre les raisons qui aboutissent à la rupture du consensus et la remise en cause de l'acceptation sociale des traditions jusqu'alors tolérées corruption extorsion abus en tout genre Les différentes contributions examinent les conditions de ces condamnations morales et politiques et dessinent un tableau nuancé de ces pathologies du pouvoir qui loin d'être invariables dans le temps sont articulées aux paradigmes moraux de chaque société historique Les contributeurs sont Nathalie Barrandon Anne Catherine Baudoin Franck Collard Kathleen Crowther Angela De Benedictis Silvia Di Paolo Julien Dubouloz Patrick Gilli Cedric Giraud Thomas Granier Laurent Guitton Charles Guerin Corinne Manchio Nancy McLoughlin Héléne Marnard Richard Newhauser Flocel Sabat Armand Strubel Julien Thiry et Silvana Vecchio English What is singular about the criminality of rulers or their sinful acts is how rarely they are convicted Through a long term study of the forms of denunciation of crimes committed by those who hold power this book tries to understand the reasons that lead to breaking the consensus and calling into question the social acceptance of traditions which had

hitherto been tolerated corruption extortion different types of abuse The various contributions investigate the moral and political conditions of these convictions and give a well balanced account of these pathologies of power far from being invariable over time they are consistent with the moral paradigms of each society in history **The Renaissance on the Road** Rosa Salzberg,2023-07-13 The Renaissance was a highly mobile turbulent era in Europe when war poverty and persecution pushed many people onto the roads in search of a living or a safe place to settle In the same period the expansion of European states overseas opened up new avenues of long distance migration while also fuelling the global traffic in slaves The accelerating movement of people stimulated commercial political religious and artistic exchanges while also prompting the establishment of new structures of control and surveillance This Element illuminates the material and social mechanisms that enacted mobility in the Renaissance and thereby offers a new way to understand the period s dynamism creativity and conflict Spurred by recent mobilities studies it highlights the experiences of a wide range of mobile populations paying particular attention to the concrete practical dimensions of moving around at this time whether on a local or a global scale The Children of Witches Sherri Smith,2010-07-08 Married to a drunken tavern keeper Anna Wirth takes solace in her two sons hard working Konrad and the beautiful flaxen haired Manfred who sings like an angel and who some say has been touched by God But at the same time Anna is desperate to prevent people finding out the truth about her younger son That he is not like other children he does not communicate doesn t make eye contact lives in his own private world endlessly collecting and arranging piles of leaves and stones When rumours of witchcraft sweep through the town Manfred is seized by those who would use him to pursue their own agenda As innocent townsfolk are accused a climate of fear prevails No one is safe and at the heart of the terror is Anna s own son As the death toll mounts Anna realizes there is only one way to stop the madness But can she act against a mother s deepest instincts **The Routledge History of Women in Europe Since 1700** Deborah Simonton,2006-04-27 This landmark publication collects the essays of the leading women s historians and provides the most coherent overview of women s role and place in Western Europe from the beginning of the eighteenth century to the twentieth century *Shakespeare's Binding Language* John Kerrigan,2016 Shakespeare s Binding Language is an innovative substantial but highly readable study exploring the significance in Shakespeare s plays of oaths vows contracts pledges and the other verbal and performative acts by which characters commit themselves to the truth of things past present and to come
