Bachelor Home Companion A Practical Guide To Keeping House Like A Pig:

The Bachelor Home Companion P. J. O'Rourke, 2018-09-01 From the funniest writer in America a book about cooking and cleaning for people who don't know how to do those things and aren't about to learn The Wall Street Journal In addition to debunking popular myths about bachelors they are in fact not creatures known to hang around the house in silk smoking jackets sipping brandy from oversized snifters 1 New York Times bestselling author P J O Rourke offers some useful advice about housekeeping or how best to avoid it in this priceless guide For example Every month or so take the curtains down and throw them away In the inimitable and irreverent style that has made him one of America's most popular humorists O Rourke provides an essential guide to the practical business of living in the modern world and proves that Camus had it all wrong about the myth of Sisyphus it's not symbolic of life just housekeeping To say that P J O Rourke is funny is like saying that the Rocky Mountains are scenic accurate but insufficient Chicago Tribune

How to Avoid Housework Paula Jhung, 2010-06-15 Household tips by a popular columnist include fast tidy jobs for unexpected visitors organizing clutter creating a self-maintained kitchen coping with mess makers and keeping the bathroom clean If you think it's not possible to have a virtually self-cleaning home think again America's self-proclaimed 1 Avoidance Expert tells all in this often hilarious always smart and eminently practical compendium of tips hints and secrets to maintaining a spotless home by barely lifting a finger Would you rather arrange flowers and light candles than dust the table they sit upon Would you rather sweep the dust under the rug than vacuum it Here at last in this terrific antihousework bible Paula Jhung blends artful advice a soupcon of illusion and a bucketful of wit to whip up super solutions for the I Hate to Housekeep brigade Sweeping quickly through every room in the house Jhung gives you the dirt

Singleness in Britain, 1960-1990: Identity, Gender and Social Change Emily Priscott, 2020-07-07 This book contributes to an emerging field of research looking at the significance of marital status to debates about identity and gender It examines representations and experiences of single men and women between 1960 and 1990 using a wide variety of sources including digitized British newspapers social research films and lifestyle literature Whilst much existing work focuses on the early to mid 20th centuries such as Katherine Holden's ground-breaking work *The Shadow of Marriage* Singleness in England 1914-1960 this book alternatively examines the impact of the 1960s and the aftermath of changing attitudes to singleness While Holden and others such as Virginia Nicholson in *Singled Out* focus largely on social status and lived experience often through oral testimony the author is just as interested in finding new ways of looking at gender and sexuality This work starts from the premise that a distinct double standard existed in attitudes towards single men and women which continued even after the wave of legislation to improve women's status during the 1960s Examining these often vastly different expectations reveals a complex web of progress continuity and contradictions highlighting the uneven pace of social change and its frequent compromises and limitations Using theoretical approaches such as feminism and queer theory this work explores the impact of changing gender norms on issues including single

fatherhood old maid stereotypes and experiences of homelessness It can be used as a study aid for 20th century British history and gender studies courses and might also interest both established academics and intellectually curious non academic readers The author has made efforts where possible to clearly explain her theoretical approaches and interventions for those who might be unfamiliar with them *Guests Without Grief* Paula Jhung, 1997-04-09 From the writer whose *How to Avoid Housework* made thousands of homes cleaner and thousands of lives easier comes a painless guide to entertaining with self confidence and panache Jhung shows how even guest o phobics can relax and enjoy entertaining Line drawings throughout **How the Hell Did This Happen?** P.
