John Tyler Bonner, 2015-12-08 The howling monkeys of Barro Colorado Island in Panama have a rudimentary language which serves the needs of their social activities The red deer of Scotland the seals of the Pribilof Islands the beavers the social insects the army ants and termites and lastly the colonial and single celled organisms such as amoebae all meet the same basic biological necessities of feeding reproduction and social coordination Though the means of meeting the requirements are amazingly varied Mr Bonner shows that these three functions form a basic pattern that can be recognized in amoebae in monkeys and in man in fact wherever life occurs Originally published in 1955 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A Book of Bachelors Arthur William Fox, 1899 The Old Bachelor's Nightcap H.C. Andersen, 2014-05-13 The book includes famous fairy tale The Old Bachelor s Nightcap by Hans Christian Andersen fully illustrated all color 11 color illustrations by Maria Tsaneva and adapted in corresponding English German paragraphs The book is an excellent way to read Paragraph by Paragraph Translation along your kids Your little one can follow along as each individual English paragraph is paired with the corresponding German paragraph The paragraphs are not long so there is no need to do a lot of back and forth to see the German translation and the English text The text is relatively simple vocabulary and grammar wise but not very simple at all
