Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ's crucifixion Does the Bible's Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book Israel and the Covenants in New Testament Times Each study's conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can

absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

A Preface to Mark Christopher Bryan, 1997-02-27 A Preface to Mark is a literary study which from the standpoint of the newer critical methodologies explores two questions First Bryan attempts to determine what kind of text Mark would have been seen to be both by its author and by others who encountered it near the time of its writing He examines whether Mark should be seen as an example of any particular literary type and if so which He concludes that a comparison of Mark with other texts of the period leads inevitably to the conclusion that Mark's contemporaries would broadly have characterized his work as a life Second Bryan looks at the evidence that exists to indicate whether Mark like so much else of its period was written to be read aloud He points out ways in which Mark's narrative would have worked particularly well as rhetoric The first examination of Mark as a whole in the light of contemporary studies of orality and oral transmission A Preface to Mark not only shows us Mark in its original setting but also suggests ways in which our own encounter with Mark's text may be significantly enriched Its accessible style will serve as a good introduction to the Gospel for students as well as the general reader

Mark's Gospel John Painter, 2005-06-20 Mark's biography of Jesus is the earliest of the four gospels and influenced them all The distinctive feature of this biography is the quality of good news which presupposes a world dominated by the forces of evil John Painter shows how the rhetorical and dramatic shaping of the book emphasises the conflict of good and evil at many levels between Jesus and the Jewish authorities Jesus and the Roman authorities and the conflict of values within the disciples themselves These matters of content are integral to this original approach to Mark's theodicy while the stylistic issue raises the question of Mark's intended readership John Painter's succinct yet thorough treatment of Mark's gospel opens up not only these rhetorical issues but the social context of the gospel which Painter argues to be that of the Pauline mission to the nations

Moloney, SDB, 2012-05-01 The Gospel of Mark addressed to an early Christian community perplexed by failure and suffering presents Jesus as suffering Messiah and Son of God Recognizing that failure and suffering continue to perplex Christians today world renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative Now in paperback this commentary combines the highest level
