**Backspin** Arv Olson, 2012 Backspin is a comprehensive overview of everything golf related in BC Veteran sportswriter Arv Olson's work on the trailblazers and the growth of the game and the province's golf courses was the preeminent resource on golf history when he self-published Backspin in 1992 This first Heritage House edition has been completely updated and revamped to mark 2012's 120th anniversary of golf in BC Since its start in Beacon Hill Park in Victoria and Stanley Park in Vancouver golf has been backed by an assortment of colourful characters who have enthusiastically teamed up to create courses and clubs in the heart of many towns some of them even running for office to protect their links Backspin is an encyclopedic reference on the growth of BC's golf game legendary golf figures past and present and the golf courses of BC Olson doesn't neglect the fun either including entertaining golf anecdotes and writings from the early days Hall of Famers and humble hackers old pros and lucky ace makers Olson's history of the game completes the circuit including everything from humour and hardship to murder and mayhem

Backspin Alison A. Hicks, 2008-11-06 Did you know that in Maricopa County Arizona you can be arrested for a felony 3 intent to kill your six and a half year old child in the middle of the day if you do not walk them up to the neighbor's house A Sheriff like Officer Rogers has the right to enter your house search it without a warrant not read Miranda rights and lie knowing your child is actually safe at the neighbor's house where you left her Public defender Jamie Noland brainwashed an innocent naive single mom into taking a false plea For what Power money control or a step toward prosecutor Judge McVey with the reputation of a Nazi Judge and Prosecutor Terry Clarke made a mistake in plea agreement They had to cover it up by ruining a single mother and daughter's life out of spite The story that follows describes in detail these and other people and events in the form of a screen play written over the past three years Screenplays capture crucial moments and communicate with a direct emotional impact one expects in movies The authors hope that this way of presenting the story enables readers to share in the nightmarish quality of Alison's experiences that might be obscured in a more traditional biographical novel And of course this story does not yet have an end

**Achieving Kicking Excellence** Shawn Kovacich, 2005

Newton on the Tee John Zumerchik, 2010-05-11 Like no other sport golf obsesses those poor souls who

hope to master its subtleties and abundant complexities One shot is hit like a dream the next a nightmare As a result the game's disciples have embraced any and all techniques endorsed by pros and hackers poets and philosophers these days a good walk is often spoiled by tripping over a sandtrap's worth of Zen meditations and mystical tomes But while so many have journeyed through golf's metaphysics no one has presented a readable compelling look at the science of the game until now In *Newton on the Tee* accomplished science writer John Zumerchik examines explores and explains to us the endless details that make golf such a tantalizing pursuit Written in language accessible to even the most scientifically disinclined Zumerchik's book delves into areas of supreme importance to every golfer including *The Physics of the Sweet Swing* The universal principles shared by all those rhythmic and well timed swings you see on TV but not in the mirror *Mind Over Muscle* How the brain affects and controls the movements of the body and why confidence is the golfer's most indispensable tool *Getting the Ball from Here to There* Decoding the vagaries of launch angles spin lift and gravity that make the difference between walking happily down the fairway and tramping into the bunkers *Probability and Statistics* Understanding the mathematics of golf and a by the numbers appraisal of golf's greatest legends With a firm grasp of both his subject and his 7 iron Zumerchik takes the reader through all these topics and more in an entertaining and enlightening work that will give every golfer something to chew on besides his or her nails and make clear and comprehensible the hundred and thirty five things you shouldn't think about during your backswing
