Back To Beckett

Pascale Casanova

Back To Beckett:

Back to Beckett Ruby Cohn, 1974 **Beckett on File** Virginia Cooke, 2021-05-19 This book first published in 1985 assembles essential facts on Samuel Beckett and makes vital but elusive information available. It contains a comprehensive checklist of all the writer's plays with a detailed performance history, excerpted reviews, and most importantly a selection of Beckett's own comments on their work drawn from essays, interviews, letters, and diaries. Other features include a chronology of life and work, a checklist of non-dramatic writings, and an annotated bibliography.

Since Beckett Peter Boxall, 2011-11-03 Samuel Beckett is widely regarded as the last modernist, the writer in whose work the aesthetic principles which drove the modernist project dwindled and were finally exhausted. And yet despite this it is striking that many of the most important contemporary writers across the world see their work as emerging from a Beckettian legacy. So whilst Beckett belongs in one sense to the end of the modernist period, in another sense he is the well-spring from which the contemporary, in a wide array of guises, can be seen to emerge. Since Beckett looks at a number of writers in different national and political contexts, tracing the way in which Beckett's writing inhabits the contemporary while at the same time reading back through Beckett to the modernist and proto-modernist forms he inherited. In reading Beckett against the contemporary in this way, Peter Boxall offers both a compelling re-reading of Beckett and a powerful new analysis of contemporary culture.

Beckett and Decay Kathryn White, 2011-11-01 The word decay is often used by critics in general reference to Beckett's thematic emphasis and philosophical outlook. However, this book explores the idea of decay as the fundamental core of Beckett's work, dominating it thematically, linguistically, and artistically. Kathryn White explores Beckett's representation of physical decay, mental and spiritual deterioration, and finally the idea that decay is to be found in language itself. This study explores the importance of both theme and form in Beckett's work and considers whether Beckett will, in future generations, be remembered both for his representation of existence and his innovations in language.

Ex-changes Edyta Lorek-Jezińska, Katarzyna Więckowska, 2013-02-14 *Ex-changes* Comparative Studies in British and American Cultures is a collection of articles exploring a variety of cultural texts such as fiction, film, drama, poetry, and critical thought in order to present the on-going transfer of ideas and processes of complementation that characterise cultural re-production. The analyses gathered in the volume document the shifting ways of thinking about individual identity and social formations, describe the mobility of definitions of gender and nationality, and address the changing relations between various genres and disciplines through adaptation and re-writing. All of these preoccupations can be located within the broad domain of Comparative Studies, drawing comparisons across time, space, societies, cultures, genres, media, and disciplines. The scope of the themes covered by the essays comprising this volume not only confirms the significance of comparative studies in contemporary cultural research but also testifies to the validity of comparative methods both in individual critical analysis and the writing process. Beneath the well-defined divisions of comparative studies, in their inter-disciplinary preoccupations,

such as comparisons involved in translation adaptation cross cultural studies or relationships between various arts this volume exposes to what extent individual cultural texts are founded on comparative structures and concepts conceptualised through analogies changes and internal splits

Rocky Ground Kaylea Cross,2019-03-26 She s been hurt too many times Single mom Tiana Fitzgerald has sworn off all romantic relationships to protect herself and her daughter Her track record is disastrous and she s done getting hurt But a certain sexy Scotsman in Crimson Point has other ideas and somehow manages to sneak past her defenses at every turn As the hits keep coming and her life implodes she begins to see he s unlike any man she s ever known Now he s become the greatest threat to her heart because there s no possible future for them Not when he s leaving the country in a few weeks And when her worst fears are realized she must risk everything by placing her trust in in his hands He s determined to capture her heart Scotsman Aidan MacIntyre never saw the fiery beautiful Tiana coming The prickly redhead has gotten under his skin as badly as he wants to get under hers But she s determined to keep walls between them Luckily the former Royal Marine doesn t know how to give up Someone from her past wants to hurt her but Aidan will stand between her and any threat He ll stop at nothing to protect her and the little girl who have completely stolen his heart and fight for them to have a future together

Beckett, Modernism and the Material Imagination Steven Connor,2014-06-30 This is a collection of authoritative essays on Samuel Beckett s writing from a pre eminent scholar of twentieth century literature and culture

Early Modern Beckett/Beckett et le début de l ère moderne Angela Moorjani,Danièle de Ruyter,Dúnlaith Bird,Sjef Houppermans,2012 Beckett Between Beckett entre deux Light landscape and Beckett Dunlaith Bird Beckett between the words punctuation and the body in the English prose James Williams The Non Lieu of hunger Post war Beckett and the genealogies of starvation Alys Moody The extended mind and multiple drafts Beckett s models of the mind and the postcognitivist paradigm Dirk Van Hulle Beckett and Geulincx s metaphysics Without knowing why exactly Everett C Frost L au del du dehors dedans paradox space and movement in Beckett John Wall Ill told ill heard aurality and reading in Comment c est How It Is Lea Sinoimeri Tensions of the in between rhythm tonelessness and lyricism in Fin de partie Endgame Karine Germoni and Pascale Sardin Beckett bilingualism and the Bible Iain Baily The proxemics of Neither Garin Dowd

Making the Stage Ann C. Hall,2020-11-30 MAKING THE STAGE is a collection of essays that examines the role of theatre drama and performance in contemporary culture a culture that is growing increasingly technological and isolated seemingly at odds with the very nature of theatre a collaborative and sometimes very primitive art form Through the course of these essays it is clear that theatre not only survives some of the challenges of the day but even defines discussions particularly political ones which are prohibited by an increasingly manipulated media The essays from a diverse group of theatre scholars examine the mechanics of theatre from space to sound to the use of technology the role of women in creating theatre the relationship between theatre and literary art forms the politics of theatre science and theatre and the role of performance art Through them all it is clear that theatre drama and performance continue to speak in significant ways

Samuel Beckett Pascale Casanova, 2020-01-28 In this fascinating new exploration of Samuel Beckett's work Pascale Casanova argues that Beckett's reputation rests on a pervasive misreading of his oeuvre which neglects entirely the literary revolution he instigated Reintroducing the historical into the heart of this body of work Casanova provides an arresting portrait of Beckett as radically subversive doing for writing what Kandinsky did for art and in the process presents the key to some of the most profound enigmas of Beckett's writing

Reviewing **Back To Beckett**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing.
