Back To The Beach:

The Beach Lane Collection Melissa de la Cruz, 2013-07-09 The Hamptons are hot and Mara Eliza and Jacqui are hitting the beach for four sizzling summers in this complete collection of the Beach Lane series Mara Walters Eliza Thompson and Jacqui Velasco first meet as newly hired au pairs for a wealthy family summering in the Hamptons But babysitting takes a backseat to romance as the girls explore the local nightlife and pursue their dreams of having it all And though it seems like their summers are golden they ll have to be careful because sometimes when the sun shines it scorches This complete eBook collection of the Beach lane series includes Beach Lane Skinny Dipping Sun Kissed and Crazy Hot The Beach Lane series is created by Alloy Entertainment producer of bestselling teen and middle grade series including The Sisterhood of the Traveling Pants Gossip Girl The Vampire Diaries and Pretty Little Liars Originally published as the Au Pairs series At the Beach Jean-Didier Urbain, 2003 Around the world when people think of vacation it s the beach they want even when long distances must be traversed the seashore is the place to escape the rigors of modern life How did this come to be and what does our ongoing love affair with the beach mean How do shore vacations differ from traditional tourism and what does this tell us about our fears and dreams In *At the Beach* Jean Didier Urbain offers witty and insightful answers to these questions Urbain traces the transformation of the beach from a place of mythological threats and a demanding workplace fraught with danger to a destination for medical treatment and the pursuit of pleasure He looks to the emergence of the modern vacation in the nineteenth century examines representations of beachgoing in literature and the arts and shows the transgressive side of beach culture from nudism to hedonism to various scandals about costume behavior and sexuality that make the beach the site of social spectacle as well as leisure Urbain s ultimate focus is the paradoxical enterprise of the residential seaside vacationer who travels in order to stay in one place and who leaves the everyday world behind to reconstruct an idealized version of it at the shore He argues that unlike tourists who move from place to place beach vacationers are not seeking to explore nature to discover other cultures or even to get away from it all rather they are attempting to re create their own identities through a simplified community they can no longer find elsewhere Blending history with social observation Urbain presents an original incisive and entertaining account of this enduring ritual of escape and recreation **The Beach Cottage** G Lusby, 2012-03-01 Ryan Tatum served his country for three years in the Marine Corps and upon returning attempted to pick up his life where he left off Finding the economy weak his expenses large and his will to work ignored he took to the streets joining the ranks of the many homeless people in the same position in life This story tells his struggles his victories and the pitfalls of life **Tanks on the Beaches** Robert M. Neiman, Kenneth W. Estes, 2003-03-03 Robert Neiman perhaps the most experienced combat commander of the U S Marine Corps tank arm was one of the rare USMC officers to serve in both Iwo Jima and Okinawa battles In *Tanks on the Beaches* Neiman and his coauthor Kenneth Estes relay vivid accounts of fighting in the Pacific War as well as Marine Corps service during the entire World War II period devoid of

idolatry and mythmaking The result is a war story told from the unique perspective of men fighting from armored machines in desperate battles against a determined enemy After the capture of Guadalcanal Neiman endured Japanese bombardments there to gather information for his assignment as operations officer of a new tank school being formed in California He eventually led his own tank company through four island battles culminating in the cauldron of Iwo Jima Later he finished the war as executive officer and commanding officer of the 1st Tank Battalion on occupation and security duty in North China in 1945 46 Neiman and Estes take the reader from prewar training at Quantico and in North Carolina through the delights of a New Zealand bereft of men the horrors of Saipan and Iwo the peculiar situation in China after the war and then the trip back to the States for Neiman s successful postwar career as a lumber retailer Through it all Estes translates Neiman s eye for the interesting and the human into a multifaceted tale of a young Marine going to war This is an adventure story with many novel turns that will attract the interest of military experts military history aficionados Marine Corps members in general and veterans of armored fighting vehicle units Neiman is not a USMC icon just one of the unheralded thousands of officers who did the real fighting This is their story as much as it is his
