The background of Passion music Basil Smallman, [Hearing Bach's Passions](#) Daniel R. Melamed, 2016 Daniel Melamed offers a study of Bach's passion settings seeking to familiarise readers with some of the intriguing issues in the study performance of older music He explores what it means to listen to this music today

Jewry in Music David Conway, 2011-12-15 David Conway analyses why and how Jews virtually absent from Western art music until the end of the eighteenth century came to be represented in all branches of the profession within fifty years as leading figures not only as composers and performers but as publishers impresarios and critics His study places this process in the context of dynamic economic political sociological and technological changes and also of developments in Jewish communities and the Jewish religion itself in the major cultural centres of Western Europe Beginning with a review of attitudes to Jews in the arts and an assessment of Jewish music and musical skills in the age of the Enlightenment Conway traces the story of growing Jewish involvement with music through the biographies of the famous the neglected and the forgotten leading to a radical contextualisation of Wagner's infamous *Judaism in Music*

Sourcebook for Research in Music Phillip Crabtree, Donald H. Foster, 1993 This bibliography of bibliographies lists and describes sources from basic references to highly specialized materials Valuable as a classroom text and as a research tool for scholars librarians performers and teachers

[Handel and the English Chapel Royal](#) Donald Burrows, 2005 Handel's English church music spans the complete period of his active career in London his first anthem and the *Utrecht Te Deum* were composed soon after his arrival in London and his last works nearly 40 years later The repertory which includes the *Coronation Anthem* *Zadok the Priest* forms one of the most impressive and engaging areas of Baroque church music Most of it was stimulated by Handel's creative contact with the English Chapel Royal a group of professional singers in a different tradition from the opera stars with whom he worked in the theatre This is the first full length study of Handel's English Church music As well as dealing with the many aspects of the compositions themselves it traces the background to the diverse items in the repertory which relates directly to Handel's constant but changing relationship with the Hanoverian British royal family and was affected by political and dynastic events It also examines the circumstances of Handel's performances the building which unlike his theatres still survives in London today

St. Matthew Passion Richard Davy, 2011-01-01 Book URL https://www.areditions.com/rr/ycm2/ycm2_017.html The *St Matthew Passion* by Richard Davy from the Eton Choirbook is the earliest surviving polyphonic setting of the passion by a known composer Much

of it is intended to be chanted to the Sarum recitation tone for the passion but Davy sets polyphonically the synagoga the sayings of the disciples the priests Pilate and others making a total of forty two polyphonic movements Unfortunately its first two folios are missing making it necessary to reconstruct the first eleven movements completely and two of the four voices for the next twelve Such reconstructions have been attempted before but this edition brings together new analytic tools to aid in the reconstruction and as an additional option for the presentation of the work sets the entire passion to the early English translation of the gospel by William Tyndale a student at Magdalen College Oxford only a few years after the composer s period of residence there

Reader's Guide to Music Murray Steib, 2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology

The Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Containing more than 300 articles covering the alphabetical entries P Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur an to religious liberty salvation history and scholasticism

A History of the Oratorio Howard E. Smither, 2012-09-01 Written by an eminent scholar in a style that represents American musicological writing at its communicative best A History of the Oratorio offers a synthesis and critical appraisal so exhaustive and reliable that the serious student of the oratorio will be compelled to look to these volumes as an indispensable source No work on the history of the oratorio has yet appeared in the English language that is comparable in scope and treatment with Howard Smither s comprehensive four volume work The first part of volume 2 examines in depth the antecedents and origins of the oratorio in Protestant Germany in the seventeenth century It includes discussions of the Lutheran Historia sacred dramatic dialogues and the Lubeck Abendmusiken of Buxtehude The second part treats the oratorio in Protestant Germany in the early eighteenth century and examines Handel Reinhard Keiser and J S Bach The third part considers primarily the English oratorios of Handel In most sections of A History of the Oratorio the author has selected for special attention a few oratorios that are representative of each geographical area and period An exception to this procedure is in the section on Handel in this volume where all of the composer s English oratorios are treated fully with particular reference to recent specialized Handel studies Volume 1 The Oratorio in the Baroque Era Italy Vienna Paris and Volume 3 The Oratorio in the classical Era expand and continue the study of oratorio history Although this series was originally announced as a three volume study Smither will conclude with a fourth volume Originally published in 1977 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are
