Backlash The Undeclared War Against Women:

Backlash Susan Faludi,1992 A New York Times bestseller for more than four months Backlash is Pulitzer Prize winning reporter Susan Faludi's eye opening meticulously documented account of the growing and effective anti feminist backlash in America during the last 10 years A bracing look at the counter assault in our society on women's progress over the last decade The New York Times Book Review **Backlash** Susan Faludi,2009-11-18 A new edition of the feminist classic with an all new introduction exploring the role of backlash in the 2016 election and laying out a path forward for 2020 and beyond Winner of the National Book Critics Circle Award Enraging enlightening and invigorating Backlash is most of all true Newsday First published in 1991 Backlash made headlines and became a bestselling classic for its thoroughgoing debunking of a decadelong antifeminist backlash against women's advances A Pulitzer Prize winning journalist Susan Faludi brilliantly deconstructed the reigning myths about the costs of women's independence from the supposed man shortage to the infertility epidemic to career burnout to toxic day care and traced their circulation from Reagan era politics through the echo chambers of mass media advertising and popular culture As Faludi writes in a new preface for this edition much has changed in the intervening years The Internet has given voice to a new generation of feminists Corporations list gender equality among their core values In 2019 a record number of women entered Congress Yet the glass ceiling is still unshattered women are still punished for wanting to succeed and reproductive rights are hanging by a thread This startling and essential book helps explain why women's freedoms are still so demonized and threatened and urges us to choose a different future

Backlash Susan Faludi,2010-05-29 **Backlash** Susan Faludi,1992 This study is an account of the war against women the insidiously manipulated political and cultural backlash against the hard won equality and independence which women achieved in the 1970s and 1980s Using examples from all areas of public life advertising film TV fashion politics Faludi in this revised edition for Britain and the rest of the world presents a damning picture of the erosion of women's status at the end of the 20th century The author has won the Pulitzer Prize for an article she wrote for the Wall Street Journal **A Study Guide for Susan Faludi's "Backlash: The Undeclared War Against American Women"** Gale, Cengage Learning,2016 A Study Guide for Susan Faludi's Backlash The Undeclared War Against American Women excerpted from Gale's acclaimed Nonfiction Classics for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Nonfiction Classics for Students for all of your research needs **Encyclopedia of Women and Gender, Two-Volume Set** Judith Worell,2001-09-13 Covers the psychology of women the psychology of men and gender differences while discussing psychological differences in personality cognition and behavior as well as biologically based differences and how those differences impact behavior **Not My Mother's Sister** Astrid Henry,2004-09-07 Rebellious generations and the emergence of new feminisms **Contemporary American Fiction in the European Classroom** Laurence W. Mazzeno,Sue

Norton, 2022-04-06 This book offers insight into the ways students enrolled in European classrooms in higher education come to understand American experience through its literary fiction which for decades has been a key component of English department offerings and American Studies curricula across the continent and in Great Britain and Ireland The essays provide an understanding of how post World War II American writers some already elevated to canonical status and some not are represented in European university classrooms and why they have been chosen for inclusion in coursework The book will be of interest to scholars and teachers of American literature and American studies and to students in American literature and American studies courses What Causes Men's Violence Against Women? Michele Harway, James M.

O'Neil, 1999-09-09 Carefully organized and tightly edited this insightful book considers potential causes of men's violence against women utilizing a variety of theoretical perspectives It summarizes what is known about the multiple causes of men's violence against women and the importance of identifying men's risk factors in order to prevent future violence The editors' approach is unique but systematic In chapter 2 the editors present a preliminary multivariate model that explains men's violence against women by identifying four content areas: macrosocietal, biological, gender role socialization, and relation factors Within these four areas the editors develop thirteen preliminary hypotheses about the causes of men's violence against women In the subsequent chapters the contributing authors critique or react to specific parts of the multivariate model and address one or more of the 13 hypotheses in the presentation of their own ideas about the causes of men's violence against women In the concluding chapter the editors summarize the contributors' reactions to the original hypotheses by creating a revised multivariate model of risk factors for men's violence against women The final model includes biological, socialization, psychological, psychosocial, relational, and macrosocietal factors Furthermore the model is explained through 13 theoretical propositions, 40 research hypotheses, and over 60 risk variables related to men's violence against women The book closes with a discussion of men's protective resiliency and vulnerability factors as well as future directions for theory development, advocacy, and the prevention of violence against women **Backs Against the Wall**

Kathy A McCloskey, Marilyn H. Sitaker, 2013-10-18 **Backs Against the Wall** Battered Women's Resistance Strategies tackles several controversial aspects involved with intimate partner violence (IPV), namely the approaches many victims use when resisting their oppressors This sensitive and sensible feminist perspective concerning battered women's use of different resistance strategies and the reasons why they use them also focuses on ways to support victims through intervention and prevention strategies Leading experts provide current research, revealing viewpoints, and convincing assertions about the victims of IPV This book powerfully refutes the sweeping assertions made by today's antifeminist-based mindset that women are as violent as men in cases of IPV perpetration This insightful source provides strong evidence of the different resistance strategies that battered women use in response to multiple oppressions, including IPV, in the case against the gender parity argument that may very well be politically motivated The text provides extensive references and several figures and tables to

clearly present data This book is a valuable resource for activists educators students health providers justice system workers advocates and researchers This book was published as a special issue of the Journal of Aggression Maltreatment and Trauma

Sydney Anglicans and the Threat to World Anglicanism Dr Muriel Porter, 2013-06-28 Sydney Anglicans always ultra conservative in terms of liturgy theology and personal morality have increasingly modelled themselves on sixteenth century English Puritanism Over the past few decades they have added radical congregationalism to the mix They have altered church services challenged church order and relentlessly opposed all attempts to ordain women as priests let alone bishops Muriel Porter unpacks how Australia's largest and until recently richest diocese developed its ideological fervour and

explores the impact it is having both in Australia and the Anglican Communion **A Bite of the Apple** Lennie Goodings, 2020 In this insightful memoir Lennie Goodings takes the reader behind the scenes at Virago the feminist press that she has led for twenty years Moving from Virago's early days of independence through its various commercial incarnations the author reflects on idealistic publishing and how it feels to be a beacon for change **The Cult of True**

Victimhood Alyson Manda Cole, 2007 Demonstrates how the campaign against victim politics and the victim mentality has profoundly altered Americans understanding of victimhood and investigates the consequences of this change in politics law culture and the war against terror *The Women's Rights Movement, Revised Edition* Shane Mountjoy, 2019-07-01 The

women's rights movement grew out of the women's suffrage movement of the mid 1800s and also addressed other women's legal rights issues The second wave of the movement which promoted economic political and social equality gained momentum in the 1960s and 70s when such groups as the National Organization for Women fought for equal pay and laws banning employment discrimination Today the movement is in its third wave fighting against sexual harassment and assault as well as for greater representation in the media in nontraditional professions and in politics Clearly written highly visual and bolstered by a chronology bibliography and suggestions for further reading *The Women's Rights Movement Revised Edition* is an illuminating introduction to one of the most prominent reform movements of the last 60 years **The Faith**

Lives of Women and Girls Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16 Identifying illuminating and enhancing understanding of key aspects of women and girls faith lives *The Faith Lives of Women and Girls* represents a significant body of original qualitative research from practitioners and researchers across the UK Contributors include new and upcoming researchers as well as more established feminist practical theologians Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts Diverse spiritual practices beliefs and attachments are explored including a variety of experiences of liminality in women's faith lives A range of approaches ethnographic oral history action research interview studies case studies and documentary analysis combine to offer a deeper understanding of women's and girls faith lives As well as being of interest to researchers this book presents resources to enhance ministry to and with women and girls in a variety of settings **Feminist Views on the English Stage** Elaine

Aston, 2003-11-24 *Feminist Views on the English Stage* first published in 2003 is an exciting and insightful study on drama from a feminist perspective one that challenges an idea of the 1990s as a post feminist decade and pays attention to women's playwriting marginalized by a renaissance of angry young men Working through a generational mix of writers from Sarah Kane the iconoclastic bad girl of the stage to the canonical Caryl Churchill Elaine Aston charts the significant political and aesthetic changes in women's playwriting at the century's end Aston also explores writing for the 1990s in theatre by Sarah Daniels Bryony Lavery Phyllis Nagy Winsome Pinnock Rebecca Prichard Judy Upton and Timberlake Wertenbaker *The Shattered Mirror* María Elena de Valdés, 2010-07-05 Popular images of women in Mexico conveyed through literature and more recently film and television were long restricted to either the stereotypically submissive wife and mother or the demonized fallen woman But new representations of women and their roles in Mexican society have shattered the ideological mirrors that reflected these images This book explores this major change in the literary representation of women in Mexico Mar a Elena de Vald s enters into a selective and hard hitting examination of literary representation in its social context and a contestatory engagement of both the literary text and its place in the social reality of Mexico Some of the topics she considers are Carlos Fuentes and the subversion of the social codes for women the poetic ties between Sor Juana In s de la Cruz and Octavio Paz questions of female identity in the writings of Rosario Castellanos Luisa Josefina Hernández Mar a Luisa Puga and Elena Poniatowska the Chicana writing of Sandra Cisneros and the postmodern celebration without reprobation of being a woman in Laura Esquivel's *Like Water for Chocolate* **Surviving the Academy** Danusia Malina, Sian Maslin-Prothero, 2003-09-02 This text brings together writing and research on feminist experience in academia It covers issues such as provision of care maternalism in the academy and dynamics of interaction between women in higher education There are challenging and provocative analyses of many questions how large is the gap between rhetoric and reality in HE institutions how do institutions behave towards disabled staff how far is stereotyping still affecting the roles which women play in academia what do women face when they combine motherhood with teaching or studying coping mechanisms and survival tactics are brought under scrutiny and the effect these have on the behaviour of female academics and their interactions with the institution of each other This text should provide insight and evidence for researchers to further develop their own theories and also many starting points for those wishing to undertake their own research Written in collaboration with the Women in Higher Education Network **The Routledge International Handbook of Feminisms in Social Work** Carolyn Noble, Shahana Rasool, Linda Harms-Smith, Gianinna Muñoz-Arce, Donna Baines, 2024-06-03 This handbook highlights innovative and affect driven feminist dialogues that inspire social work practice education and research across the globe The editors have gathered the many at times silenced feminist voices and their allies together in this book which reflects current and contested feminist landscapes through 52 chapters from leading feminist social work scholars from the many branches and movements of feminist thought and practice The breadth and width of this collection

encompasses work from diverse socio political contexts across the globe including Central and South America Africa Asia the Middle East Europe North America Aotearoa New Zealand and Australia The book is divided into six parts as follows Decoloniality Indigeneity and Radical Theorising Feminist Social Work in Fields of Practice Academy and Feminist Research The Politics of Care Allyship Profeminisms and Queer Perspectives Social Movements Engaging with the Environment and the More than Human The above sections present the diverse feminisms that have influenced social work which provides a range of engaging informative and thought provoking chapters These chapters highlight that feminists still face the battle of working towards ending gender based violence discrimination exploitation and oppression and therefore it is urgent that we feature the many contemporary examples of activism resistance best practice and opportunities to emphasise the different ways feminisms remain central to social work knowledge and practice It will be of interest to all scholars and students of social work and related disciplinary areas including the social and human sciences global and social politics and policy human rights environmental and sustainability programmes citizenship and women s studies *Identity and the Case for Gay Rights* David A.
