Backspin 100 Years Of Golf In British Columbia:

Backspin Arv Olson, 2012 Backspin is a comprehensive overview of everything golf related in BC Veteran sportswriter Arv Olson's work on the trailblazers and the growth of the game and the province's golf courses was the preeminent resource on golf history when he self-published Backspin in 1992. This first Heritage House edition has been completely updated and revamped to mark 2012's 120th anniversary of golf in BC. Since its start in Beacon Hill Park in Victoria and Stanley Park in Vancouver, golf has been backed by an assortment of colourful characters who have enthusiastically teamed up to create courses and clubs in the heart of many towns, some of them even running for office to protect their links. Backspin is an encyclopedic reference on the growth of BC's golf game, legendary golf figures past and present, and the golf courses of BC. Olson doesn't neglect the fun either, including entertaining golf anecdotes and writings from the early days. Hall of Famers and humble hackers, old pros and lucky ace makers. Olson's history of the game completes the circuit, including everything from humour and hardship to murder and mayhem. *BC Studies*, 1994. *Historical Dictionary of Golf* Bill Mallon, Randon Jerris, 2011-01-21 Golf has been called the greatest of all games, but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled. Traditional teaching holds that golf originated in Scotland around the 15th century. However, there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century. Over the many centuries of golf's evolution, the balls used have changed greatly, as have the clubs, the holes, the courses, and the entire game itself. The *Historical Dictionary of Golf* presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, photos, and over 300 cross-referenced dictionary entries on places, teams, terminology, and people, including Arnold Palmer, Greg Norman, Lee Trevino, Jack Nicklaus, Annika Sorenstam, Lorena Ochoa, Phil Mickelson, and of course Tiger Woods. Appendixes of the members of the World Golf Hall of Fame, the Major Championships of Golf, the International Team Events, and the Professional Tour Awards are also included. *Canadian Books in Print* 2002. Marian Butler, 2002-02. *Ben Hogan's Tips for Weekend Golfers* Ted Hunt, 2017-04-04 Ben Hogan made hitting a golf ball look easy, and the results spoke for themselves. But Hogan's swing system is as complex as a spider's web; the variables and connections are never ending. In *Ben Hogan's Tips for Weekend Golfers*, Hunt presents a selection of simple but valuable tips based on the legendary golfer's secret to a competitive golf swing. The book is intended for the recreational golfer, not the tournament player who has unlimited time to practice. It distills Hogan's observations concerning the vital components of a golf swing, one at a time, and presents them as simply as possible. Each tip is illustrated with a series of photographs which clearly show the proper grip, stance, backswing, and follow-through. The author addresses these important golfing concepts: What powers the takeaway? When and how do the wrists hinge? What is your first move down from the top of the backswing? What is the action of the back knee? When does the lead knee straighten? How do you connect the arms to the torso? How do you maximize power through proper timing in the contact zone? What are the two benefits of

hovering the putter and the driver How can fifteen minutes a day at your home significantly improve 55 percent of your game
 In Ben Hogan s Tips for Weekend Golfers Ted Hunt makes the intricate Hogan system accessible and presents it in a way
 that the Hawk himself might have if he were instructing a club member out on the course *The Greater Vancouver Book*
